

HIGH SCHOOL REPORT

"MUSTANG MESSENGER"

Belinda Alzner

Ashley Clerici

Julia Pyper

MILTON DISTRICT HIGH SCHOOL

The phrase of the week is clearly, blue and white darn right! This is because the past week has been especially full of exciting sports events. It was in fact MDHS official Sports Week. It was hit off with a teacher versus student softball game, and was concluded with the Athletic Banquet. Also as the school year concludes, preparations for graduation are well underway as well. With less than 2 weeks left of school there is still so much going on, and the mustangs are going strong all the way to the wire.

This past week we have all been lucky enough to experience some of the best summer weather Canada has to offer, and Milton District sure made the best of it. The Sports Week was a great opportunity to get outside, play some sports, and enjoy the warmth. Of course there were ways to cool off too, in the dunk-tank that is. Thursday was "Fun Day" which included a BBQ, big blow up toys and of course the dunk-tank. However finding volunteers to be dropped into the water was an easy task since most people were craving a way to refresh themselves. The same can be said for the Athletic Banquet as many students came for the awards ceremony and dance, and boy did it heat up! Of course what else can you expect from a gym full of athletes dancing the night away.

So while everyone left the banquet with a full belly, many people also took home some awards. To mention a few; Jay Price won the award for senior boys football Most Valuable Player, and Matt Reed received the same award for senior boys hockey. This year MD was proud to have a girls football team, and Natasha Brancier won MVP. As for the spring sports, boys baseball MVP went to Chris Shadlock and girls softball MVP was awarded to Melissa Dale. The highlight was junior and senior Athletes of the Year, who in 2005 are Liz Clark, Shaj Patel, Laine Macdonald, and Ben Clifford. A huge congratulations goes to these award winners but also winners and athletes from every sport.

Now it is time to turn the spotlight to the graduating students as their last year at Milton District draws to a close. However before then there is some business to attend to such as graduation fundraising and the valedictorian selection. The senior auction took place on Wednesday and raised over 1000 dollars, still with the high costs that come with all other aspects of graduation there is still a cry for more fundraising. So since we need funds and no doubt everyone else needs a car wash, you can come down to Canadian Tire on Sunday and get your car cleaned right up while supporting the MD senior class. The seniors also gathered early Friday morning to have their Grad Breakfast and hear valedictorian nominee speeches. While munching on a bagel student heard previews from their candidates then had a vote. Good luck to all nominees and congratulations to the final three.

Well that closes this episode of mustang messenger, one of the last for this school year. With only the hump of exams to get over the summer feels as though it is so close. Students keep up the hard work and the thought that freedom is only a couple weeks away!

"DATELINE DRURY"

Kim Hester

Katie Bangay

Prashant Naikwadi

E.C. DRURY HIGH SCHOOL

Hey Prashant! We just heard the good news! Congratulations on being voted the Valedictorian of the Class of 2005!" Katie said as she and Kim ran into Prashant in the hallway.

"Oh, thanks guys" he said to the Dateline girls.

"Your speech was awesome," Kim said. "I liked the bit about the athletics at Drury. You really seem like the perfect guy to highlight all the Spartan Sport achievements"

"I'll have to talk to some of the athletes about what happened at last Thursday's Athletic Banquet. I'm sure there will be some good memories there." Prashant said.

"For sure" Katie said. "Make sure to congratulate all the athletes who won awards. Oh and don't forget to include all the fun times from the Drama department."

"Hey didn't you guys put on a show last week?" Kim asked.

"Yeah, we did This is a Test, sketches and some other sweet stuff last Friday night. Did you see the play? It was really funny." Katie said.

"It was a great way for the senior drama students to leave with a bang" Prashant added.

"You should probably include a little tribute to all the teachers who are leaving, Prashant." Katie said.

"Yeah, I'll put in a few words about Mr. Petker, Mme. Charbonneau, Ms. McRae and Mrs. Ignatjew. We appreciate all they do for us, so I'll be sure to include them in my speech for commencement." Prashant said. "You know what will be an awesome night? Prom! We'll make so many good memories, I'll have so much to say."

"I'm so excited!" said Kim. "I've got my outfit all ready for the big night."

"Whoa, whoa, what's that music coming over the P.A. system?" Katie asked as some strange tunes floated through the airwaves.

"Didn't you hear about diversity week at Drury 204? We announcers have been playing music from all over the world to promote diversity in our school. Isn't it cool?" Prashant said as he started dancing to the polish techno beats.

"Yeah, it is pretty cool!" said Kim, as the Dateline team continued to boogie in the hallway.

"THE ROYAL REPORT"

Katie Nadalin

Siobhan Desroches

BISHOP REDING HIGH SCHOOL

Well hello there Bishop Reding! We hope you've been enjoying your last few weeks of school here at Milton's finest high school. It's been quite busy this past week especially with students finishing up their ISU's and studying for exams, but hang in there it's almost summer! On that note, we'd just like to remind you that due to summer vacation this is our second last article. It's just not working out, it's not you, it's us. We know what you're all thinking right now. What am I going to do without my weekly Royal Report? In response to that, well, we really don't know. Well, let's take a look at what has been happening this past week.

Our athletes were honoured this past Wednesday at Bishop Reding's annual Athletic Banquet. All students who participated in school sports this year were able to dress up and enjoy a nice meal while watching the awards ceremony. Seeing as we're all winners here at Bishop Reding, we'd like to congratulate all students who came out to represent BR by playing school sports. Special congratulations to Sean Mathé and Lindsey Furik for winning athletes of the year! Great year everyone!

Another very exciting and important event coming up here at Bishop Reding is graduation! The graduates have been preparing for many months now taking graduation pictures, filling out forms, submitted fees, and more. On Friday June 3rd the graduates celebrated their achievements and success at the graduation dinner and dance. All who went said they had a great and memorable time. Wednesday June 29th is a very busy day for the grade 12s. The day starts off with a delicious grad brunch, followed by a rehearsal, and lastly the most important event: graduation ceremony! All the graduates' families and friends will attend to watch them receive their diplomas, and for many, receive awards. The Royal Report would like to extend a sincere congratulation to all graduates and we wish you all best of luck on the next stage in your life!

As the year winds down, so does this week's issue. Remember to finish up all your final assignments and good luck studying for exams everyone! But don't forget to enjoy the weather!

Graduation Announcement

Tell your graduate how proud you are of them!
