**Showcase business**

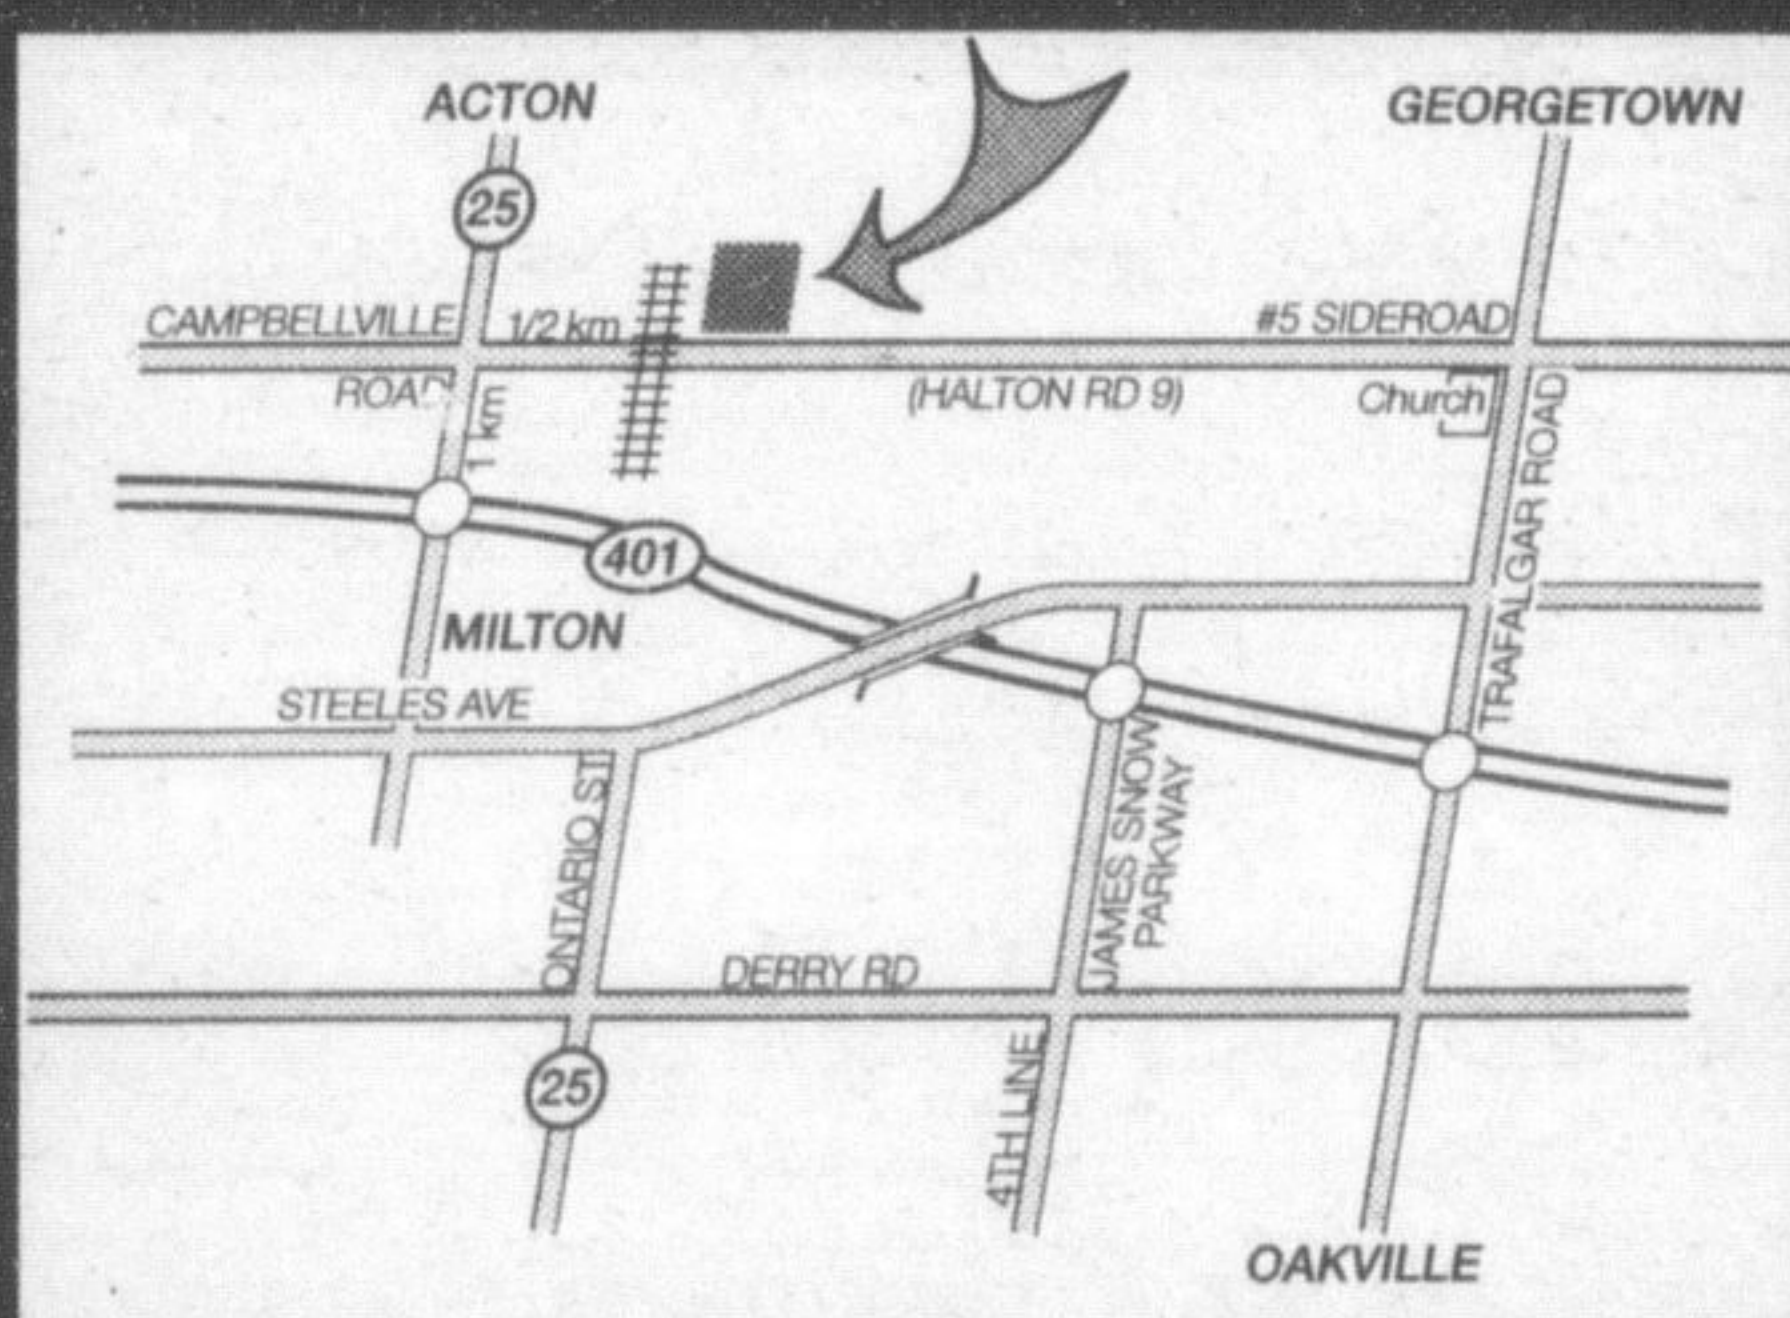

Above, Fran Villeneuve (left) — winner of a one-year membership and six-week weight loss program at GoodLife for Women, which includes a personal trainer — holds one of the exercise balls she'll be using while club general manager Ofelia Stefaniuk works out with a dumbbell. The draw was part of the health club's recent promotion at Showcase Milton. Above left, Peter McCuaig from McCuaig Insurance (left) and Maria Barbosa of Pilot Insurance Company (centre) present a cheque for \$500 to Brad Grant of the Milton District Hospital Foundation. The money was raised through a raffle for a ride for two in a tethered balloon at the end of Showcase Milton.
