Bert Tarrant
June 23rd, 1998

It only takes a little space
To write how much we miss you
But it will take the rest of our lives
To forget the day we lost you

You are always in our thoughts
Loved and missed
Dad & Sharron

258 In Memoriam 258 In Memoriam

MARY MacLean (Campbell)
July 1, 1945 - June 21, 2004
In loving memory of a Wife, Mother and Mother-in-law

A cardinal stops to sing a song,
To whisper your name through the trees;
The sweet sound of morning,
and the crispness of spring,
The touch of a warm summer breeze.
Of days gone by and hearts that keep
Your memory safe and sound;
In the quiet night, the stars, the sun,
Where your love is always found.

A cardinal stops by to sing a song,
To whisper your name through the skies;
Then he flies to a place that's safe and secure,
Where there are no more goodbye's.

Every time a cardinal sings, we remember.
Forever and for always,
Jim, Debbie, Richard, Heather and Mike.

PROCOR

People Effectiveness, Rail Services

Procor Limited is the leading Canadian Lessor of specialized rail cars and services, located in West Oakville.

Procor strives to be the **DOMINANT** North American tank car **TOTAL SERVICES PROVIDER** to major shippers through **CUSTOMER-VALUE CREATION** and **OPERATIONAL EXCELLENCE**.

This newly created position will leverage our investment in people - fostering processes & systems that support, eliminating roadblocks, turning the ordinary into extraordinary, constantly reducing costs, pursuing root causes, and expanding a culture of support & commitment.

Key areas of performance will be:

- Further engage every employee (hands, heart & head) to improve the business, on the basis of a common, external focus on customer value.
- Progressive continuous improvement project management throughout the core business & corporate functions to support Key Customer, Simplification & Responsible Care initiatives.
- Achievement of higher levels of productivity & profitability.
- Identification, creation & facilitation of key training activities & individual development plans, blending internal subject matter experts & external resources.
- Timely new hire & transferee orientations for fast assimilation.
- Implementation of focused reward & recognition processes.
- Celebrations of individual contributions & team results.
- Retention of key talent.
- Execution of best communications- & implementation of timely feedback processes in face to face, group, electronic & print mediums.
- Resolution of issues, consideration of feedback/ideas, and a complementary appeal process.
- Facilitation of timely and quality vendor reviews to leverage supply chain performance.

This position will be suited for a university or college graduate with at least 5 years of relevant experience, in a medium sized company, with a strong interest in service, quality & delivery in a Lean environment. The successful individual will be self-reliant in computer & publishing skills, and show an important skills balance between the independence to challenge and the interdependence to drive team accomplishments.

Resume's outlining education, experience and salary history should be submitted to: e-mail: employment@procor.com or Fax: (905) 827-7735.

ROXUL is a division of Rockwool International, the world's largest producer of mineral wool insulation. As part of our continued growth in North America, we are currently searching for talented and energetic individuals to join our organization with a view to further career development. We have the following **entry level** position available...

Sales/Business Trainee

New Graduates Welcome!

Located in Milton Ontario, we are seeking a recent graduate with a background in business, marketing or building science. This is an opportunity to grow as we expand our North American operations. Starting in our customer service department, you will learn the business from the ground up. Your personal qualities include drive, initiative, and enthusiasm and you enjoy a challenge and thrive in a team environment. Fluency in French would also be an asset.

We offer a competitive salary and benefits package along with the opportunity to join a progressive, international organization. Please apply in writing to:

Human Resources, ROXUL Inc.,
551 Harrop Drive, Milton, ON
L9T 3H3 Fax: (905) 878-8077
e-mail: roxul@roxul.com

ROXUL
The Better Insulation™

We appreciate your interest and thank all applicants but only those under consideration will be contacted.

Burlington Economic Development Corporation (BEDC)
Senior Economic Development Officer - Marketing

BEDC is a public private corporation established to encourage economic growth in Burlington and is funded equally by both the City and Burlington's private sector. BEDC is a dynamic corporation offering staff interesting jobs that include variety, multi-tasking, a big picture strategy leading to practical projects, the dynamics of competition, a need for entrepreneurial spirit, and a strong team environment.

We are looking for a creative marketing professional with a background in business and revenue development, marketing and advertising, and the development and execution of a marketing plan that includes events, promotions, branding and public relations. Municipal experience is an asset, as well as, knowledge of budget preparation and management.

Education - University degree in a related field; Experience - five to seven years private sector experience in business development marketing; Salary and Benefits - commensurate with experience, and a full benefits program including OMERS

Before end of day, June 27th, 2005 please email your covering letter and resume to:
Don Baxter, Burlington Economic Development Corporation, 414 Locust Street, Suite 203, Burlington, Ontario L7S 1T7 bedc@burlington.ca

Direct Energy

Want a job that works for you?
Direct Energy Essential Home Services is looking for direct marketing representatives who will promote their protection plan products.

You'll be trained on all of the details of our Heating and Cooling protection plans and given all of the tools you will need to succeed. These are quality products that could potentially save customers thousands of dollars in furnace and air conditioner repairs.

The position requires a friendly and energetic attitude. You must be up beat and positive and be able to understand a customer's point of view. Experience in this industry is not necessary as we will provide full training.

Compensation will be salary plus commission with no maximums. The hours will be flexible. Opportunity for promotion will be constant and there will be a need for Team Leaders to manage, encourage, and maintain a team of representatives.

So if you have some extra time each week and could use some extra money give us a call. It can't hurt to find out more!
