Milton Success Stories

"People are unaware of the appeal of downtown shopping. Halton Hills Fine Jewellery is a friendly and courteous business where customers are encouraged to browse at their leisure"

Halton Hills Fine Jewellery... Downtown Milton's Hidden Gem!

Visit this welcoming family owned jewellery store, located just west of Martin Street at 218 Main Street.

As our beautiful town of Milton continues to expand, many people are unaware of the appeal of downtown shopping. HHFJ is a friendly and courteous business where customers are encouraged to browse at their leisure. With the warm weather coming and the opening of Milton's open air Saturday market, stop in to leave your jewellery for a free cleaning while you browse along Main Street.

Anita and Max bought the business in 1989 and shortly thereafter re-located to its present location at 218 Main Street. Anita is well known throughout the community as a generous contributor to various charitable organizations and is passionate about customer commitment and satisfaction. Anita will ensure that you are pleased with the quality and value of your purchase. Whether you are looking for a small pair of gold earrings or a Canadian diamond platinum engagement ring, Anita will ensure that you are grinning from ear to ear.

Within the store is another hidden Gem. Mike, also a part of the family has been working in the business from its inception. Mike is a goldsmith with numerous jewellery programs under his belt. He has completed the diamond grading program with GIA and is working toward his certification as a gemologist. At any given time, you can hear Mike working away in his office on unique custom jewellery design or repair. Make an appointment with Mike to design an engagement ring or that special family heirloom. Mike is a craftsman, committed to providing you with your vision for that special gift or personal request.

Susan has a sparkling smile, and years of experience in the jewellery business as a consultant. She is always ready to help you with your purchase for yourself or that special "someone".

Jan Maxwell, who worked at Halton Hills Fine Jewellery before going to the U.S.A. with her husband Bill is back in the folds and Amy Di Palma has recently joined our staff. All are also on-site to offer you advice on the best selection of high grade jewellery, Seagull Pewter and leather or wood jewellery cases. If they do not have exactly what you are looking for, you can be sure that they will arrange for availability within days.

Halton Hills Fine Jewellery carries an extensive line of 10, 14 and 18 k gold and diamonds, platinum, pearls, gemstone jewellery, Citizen and Seiko watches, Wolf Design leather jewellery cases and Seagull pewter. Engraving and photo transfer are available. They offer free gift wrapping, free layaway and will clean your jewellery at no charge. They also offer a gift registry and the staff will be happy to work together with you on your wish list. Halton Hills Fine Jewellery won favourite jewellery store in the 2003 Milton Choice Awards.

They take debit, VISA, MasterCard and American Express and of course cash to make your shopping experience stress free.

Stop by Halton Hills Fine Jewellery and experience a downtown business at its best. You'll be glad you did.
