Meeting on condominium proposal set for Aug. 11

Local residents will soon have another chance to throw in their two cents' worth on the multiple condominium apartment buildings proposed for the corner of Main Street and Maple Avenue.

The Town is organizing a public information meeting for August 11 at the Milton Leisure Centre on the potential development that drew substantial opposition at a nitial public meeting in May.

The proposal is for five four-storey condominiums with a total of 264 units and a private clubhouse containing a fitness and meeting room at the northeast corner of Maple and Main.

Town Senior Planner Barbara Koopmans said plan revisions are in the works, with the developer looking to address things like parking and setbacks. The initial plans included 190 parking spots and 264 underground spaces.

The August meeting will consist of an open house from 6:30 p.m. to 7:30 p.m., where residents can look over the revised plans. A presentation and an opportunity for residents to speak and ask questions will follow.

Ms Koopmans said notification of the meeting was mailed out to residents last week.

In order for the development to go ahead, Milton council would have to approve a zoning bylaw amendment to change the approximate six-acre property from a medium density zone to high density.

Public meeting on board budget

Local residents can voice their thoughts on the Halton District School Board's proposed budget for the upcoming school year at an information session tomorrow.

The meeting will start at 7:30 p.m. at the P.W. Merry Education Centre, located at 263 Britannia Rd. E., just west of Trafalgar Road.

An outline of the proposed budget will be presented at the meeting. Board staff will also be on hand to respond to questions and receive public input.

Trustees of the school board will consider approval of the budget at a special board meeting Thursday at 8 p.m. at the JW Singleton Education Centre, 2050 Guelph Line, Burlington. Also on that meeting agenda is consideration of the board's special education plan.
