MILTON CHAMBER OF

President's Message

Joyce Hagevik

This year, the Board of Directors made some exciting changes to the Chamber Scholarship Fund, which has been made available to local students since 1990. This year, the scholarships were increased from \$500 to \$1000 per student, 2 new scholarships were added: one to a high school student registered with the Ontario Youth Apprenticeship Program and one for a son/daughter of a Chamber member and the selection process for the recipients was brought in-house. I would like to thank the Board of Directors for making these important changes and to our Volunteer Selection Committee for their assistance.

Funding for the Chamber Scholarship Program comes from sales of the "bacon-on-a-bun" sandwich at the Scholarship Café run by students and volunteers at the Milton Chamber of Commerce Farmers' Market and more recently, from the Sports Celebrity Dinner & Auction. Proceeds from the now popular Sports Celebrity Dinner, held for the past 3 years in January has allowed our Board to offer increased sponsorship dollars to our local students.

Congratulations to:

Marc Coulombe of Milton District High School
Christine Marshall of Bishop Reding Secondary School
Kathryn Longley of E.C. Drury High School

David Gooding of Milton District High School (OYAP)
Stephen DeMedicis of St. Michael's School (son of a Chamber member)

The scholarship awarded to the E.C. Drury High School for the Deaf will be deferred for one year.

Presentations to the recipients will be made at our upcoming July Business After Hours to be held on Tuesday, July 26th at Conservation Halton's Crawford Lake.

Most importantly, **THANK YOU** to all of you who support the Chamber Scholarship Program by buying your "bacon-on-a-bun" sandwich at the Scholarship Café on those early Saturday mornings, and to those who have supported our Sports Celebrity Dinner & Auction through sponsorship or by attending this event (date for 2006 event to be announced shortly!) Who knew that that delicious bacon breakfast treat at the Farmers' Market could help send a student to school?
