It was a hard fought match between Milton Chrysler Dodge and KVD. Both teams kept fans on the edge of their seat. Goalie Sebastian Czernik for Milton Chrysler put up a good fight against KVD. Aiden Campbell and Hannah Smith who each netted a goal. These two fine players were also outstanding goal for KVD. Many attempts by Shane Magnotich, Hannah Milner and Mateo De Lima and Griffin Belanger of Milton Chrysler were just not enough to beat KVD goal tenders. Braeridge Construction	1
Halton Pest Control	5

Great game by Braeridge. Goal scored by Luke Takeuchi in the first half. Goals scored by Pest Control, goals scored by Matthew Evans and three by Justin Whetham.

Halton Region Pest Control	3
Ainsworth	3

From the moment the whistle blew the crowd was cheering GO! GO! and that the players did. Ainsworth had many offensive rushes from Heather Rogers and Daniel Sedlak only to be stopped by HRPC's defense Noelle DeCarre and Nicholas Meglio-Cherry. Equally HRPC's Melanie Marlow and Kelly Evans were challenged to get by Ainsworth's defensive squad of Julia Spagnuolo and Justin Tobin. HRPC's goalies Jaymes Galbraith and Devon Rank had a very busy night. Double goals scored by Justin Whetham (HRPC) and Markus Milnarevic (Ainsworth). Singles to Matthew Evans (HRPC) and Daniel Sedlak (Ainsworth). Special mention to Ainsworth players Amanda Iannicelli for her great defensive kicks and to Brody Jagoe who just would not give up even when the going got tough.

Total Landscape	4
Tim Horton's	1

In an entertaining game with two distinct halves of play saw the Total Landscape team dominate the first half, putting tremendous pressure on the Tim Horton defence and goal keeper Joshua Coelho. As a result, Total Landscape jumped out to a 4 goal lead on goals by Esha Hans, Kyle Macdonald, Ronan Hickey and Tony Peixe. However, the second half proved to be a completely different story with the Tim Horton's team enjoying the run of the play and hitting back for a goal by Victoria Clowater, while goal keeper Ty Southong kept Tim Horton's in the game. However the Total Landscape goal keepers Ronan Hickey and Esha Hans were the difference in this one as they both had strong games between the pipes. Special mention to Eric Praticante and Samantha Pike of the Tim Horton's team for a strong game and to Makayla Parker and Connor McTeer for playing their best games of the season thus far.

Just For You Balloons	13
Tim Horton's Gold	1

Just For You Balloons seemed helium filled as they sailed to victory over Tim Horton's Gold. Tim Horton's goalies Noah Caravaggio and Mitchell Gaetan did their best to deflate Just For You Balloons but Antonio Traetto (2), Rachael Dobson (2), Kyle Brown (3), Laeyandra MacPherson (1), Miles Jackson (3), and Marco Pachione (2) all managed to find the back of the net. Just For You Balloons' goalies Tara Burns and Stephan Joyce did a great job allowing only one goal to Tim Horton's Michael Foley. An excellent game played by Just For You Balloons' Nikola Kucera and Sofia Marinucci and Tim Horton's Gold Alyssa Dias and Mikayla Boyle.

Dominio's Pizza	4
Central Optical	0

Despite the heat, team members from both Dominio's Pizza and Central Optical played their little hearts out, with Dominio's coming up with the 4-0 win. Matthew Struthers led the Dominio's team scoring 3 goals along with Cory Anselmo scoring 1. As well, superior goaltending was shown by Calvin Taziar, William Moffat and Matthew Struthers for Dominio's and Madison Robson for Central Optical who played the entire game in net making save after save for her team. Special mention for the Dominio's team goes out to William Moffat for his great assists, and Roisin Gordon and Alexander Jativa for their hustle. A big "HIGH FIVE" to David Blackburn and Joseph Carvello for scoring the 2 goals of the evening for A Designer's Touch.

Nadalin Electric	4
Brydens	1

The game started with a strong Bryden offense. However, Nadalin's equally strong defense and goalie Breanna Vymychenko kept Brydens off the score sheet for some time. Brydens Marco Cordeiro scored the first goal of the game but Nadalin's Benjamin Mora-Davison evened things up a few minutes later. Given these two teams had very evenly matched skills; it was an exciting, edge-of-your-seat game for the spectators and players alike. Early in the second half, a strong charge led by Jessica Baca sent the score to 2 to 1. Brydens' goalie Melissa O'Neill kept them all on their toes with her trick kicks and many saves but despite Brydens strong efforts, Nadalin's MacKenzie Phelps and Jessica Baca added goals to make the final score 4 to 1. Special mention goes to Nadalin's Tyler Sharpe (aka Spiker) who had on an amazing set of wheels tonight and to all of the Brydens players who played with only one substitute. Thanks to dad Michael for helping with Nadalin's substitutions and dad Steve Clark for stepping in as head coach for Brydens.

Tim Horton's Gold	1
A Designer's Touch	3

David Blackburn was a force to be reckoned with, scoring 3 goals, for A Designer's Touch. Combined with solid goal keeping by Kyle Zammit and Julianne Pope. A Designer's Touch beat out Tim Horton's Gold 3-1. Michael Foley scored Tim Horton's Gold lone goal and also had a great breakaway. Mikayla Boyle and Erin Mueller both did great jobs in goal for Tim Horton's Gold. Special mention goes to

Joseph Carvello of A Designer's Touch and to Anthony Cerelli and Mitchell Gaetan of Tim Horton's Gold for their great efforts.

The strong defensive team lead by Alley Redden and goalie Jasmine Martins from Arthur Electric held them to a single goal. Arthur Electric quickly countered with goals by Keira Brodie and Emily Sturm. Summer Nevins-Crombie on Brian's was not going to allow them any more goals and took some well played risks to obtain control of the ball with Oliva Ciotka making some excellent defensive plays. In the second exciting half, the spectators were on the edge of their seats with the offensive onslaught by both teams. On Arthur Electric, Keira made it a double with another goal and secured the lead with a goal by Abby Arthur. Zellers	2
My Auto Sales	0

It was action packed, back and forth, nail biting suspense! My Auto Sales came out pushing forward but Zellers, POTG, Talia Wall-DiGiuseppe was an anchor for her team running them off time and again. But when the going was getting tough Monica Bednarz was awesome as the first half Keeper for Zellers. Zellers had their push forwards and were pushed back often by the defensive playing of Hannah Kahn-Ornelas for My Auto Sales. Shaelynn Bailey was outstanding as My Auto Sales first half keeper, repelling many shots as well as Fiona Duthart in the second. However, Zellers would not give up and eventually perseverance and awesome teamwork rewarded Zellers with goals from Nina Trask and Mikaela Meglio. Zellers keeper in the second half was Stacia McCann and what a great job she did...way to go Stacia...we are proud of you...as well as the whole Zellers team for playing their best game so far this season. Playing with only 11 men a side, both teams should be congratulated on their efforts in this match. Northgate Farms wasted no time in racing out to an early lead thanks to two fine kicks by reliable scorer Brad Fitzsimons. The combination of intense heat and constant pressure by the opposition proved to be too much for the Sears squad, despite strong goaltending by Brandon Lewandowski and Jeremy Lavoi, who also displayed some solid skill as a forward in the second half. The potent Northgate attack was bolstered by two more goals from the boot of Bryce Rudd, who buried a top-shelf beauty with only minutes to go in the game. Brian's Auto Repair and Tire	4

The game began with a quick no nonsense goal by Pasqualino's Steven Khoshaba, his first of two for the game. Teammates Carlos Pasqualino and Christian Bautista were equally at work against the fancy moves of Brian's Kyle Bond and Jordan Dias. Pasqualino's defense of Jason McBride and Morgan Robertson made some great passes and kicks to mid-fielder Jason Entmaa, while David Burchett, Matt Russell and Wade Starkiss used some challenging foot work to clear the ball. Outstanding goal tending by the Pasqualino keeper, Richard Walmsley as he saved many a deflected kick and heard the ring of those goal posts as the ball skirted past them many times. Meanwhile keepers for Brian's, Patrick Fitzpatrick and Chase Bell, dug in and saved many a goal, however good teamwork from fellow player Adham Shama sent the ball to Khaled Hashem for a goal for Pasqualino. Daniel Lewandowski continued for his Pasqualino team to add up the score with a hat trick. Nevertheless, as the wind picked up so did Brian's efforts and Casey Lighthall and Anmol Chanan continued to work tirelessly to defend their net. This continued the positive influence over teammates as Kyle Bond, Wade Starkiss and David Burchett scored one each for the team. Michael Grosic rose to many challenges this evening, as did fellow Brian's Auto member Stuart Googan, who proceeded to make a well, placed kick to score for their team.
