## Walk-a-thon critical source of funding

The Oakville and District Humane Society is asking pet owners and animal lovers to take a walk for a good cause.

The 2005 'Paws for the Cause' walk-a-thon, which will take place Sunday, Sept. 25, will offer a variety of fun for the whole family, as well as an opportunity to make a difference in the lives of animals in the community.

Each year the Oakville and District Humane Society cares for more than 5,000 lost, stray, injured and mistreated animals. The walk-a-thon is a critical source of funding for the services provided by the charitable organization.

"Your contribution as a pledge form supporter makes a big difference to our ability to provide medical, adoption, animal protection and humane educational services," said Executive Director Johanne Golder.

As a non-profit organization, the humane society relies on the support of the local community to continue its efforts.

The walk, which will feature three routes of varying lengths on the Morrison Valley Trail, will begin at 9:30 a.m. at the Town of Oakville Municipal Offices, located at 1225 Trafalger Rd.

The day's activities will also include a microchip clinic, games, route draws, a raffle and a dog contest.

Pledges will be based on participation, not distance, and must be handed in at the registration desk before start time.

Paws for the Cause walk-a-thon pledge forms are available at local veterinary offices, pet retailers, libraries, community centres and the Oakville and District Humane Society.
