# Curtis wins Gretzky golf tourney with score of -18

Canada's 'singing priest' proved Tuesday that he's as athletic as he is musical.

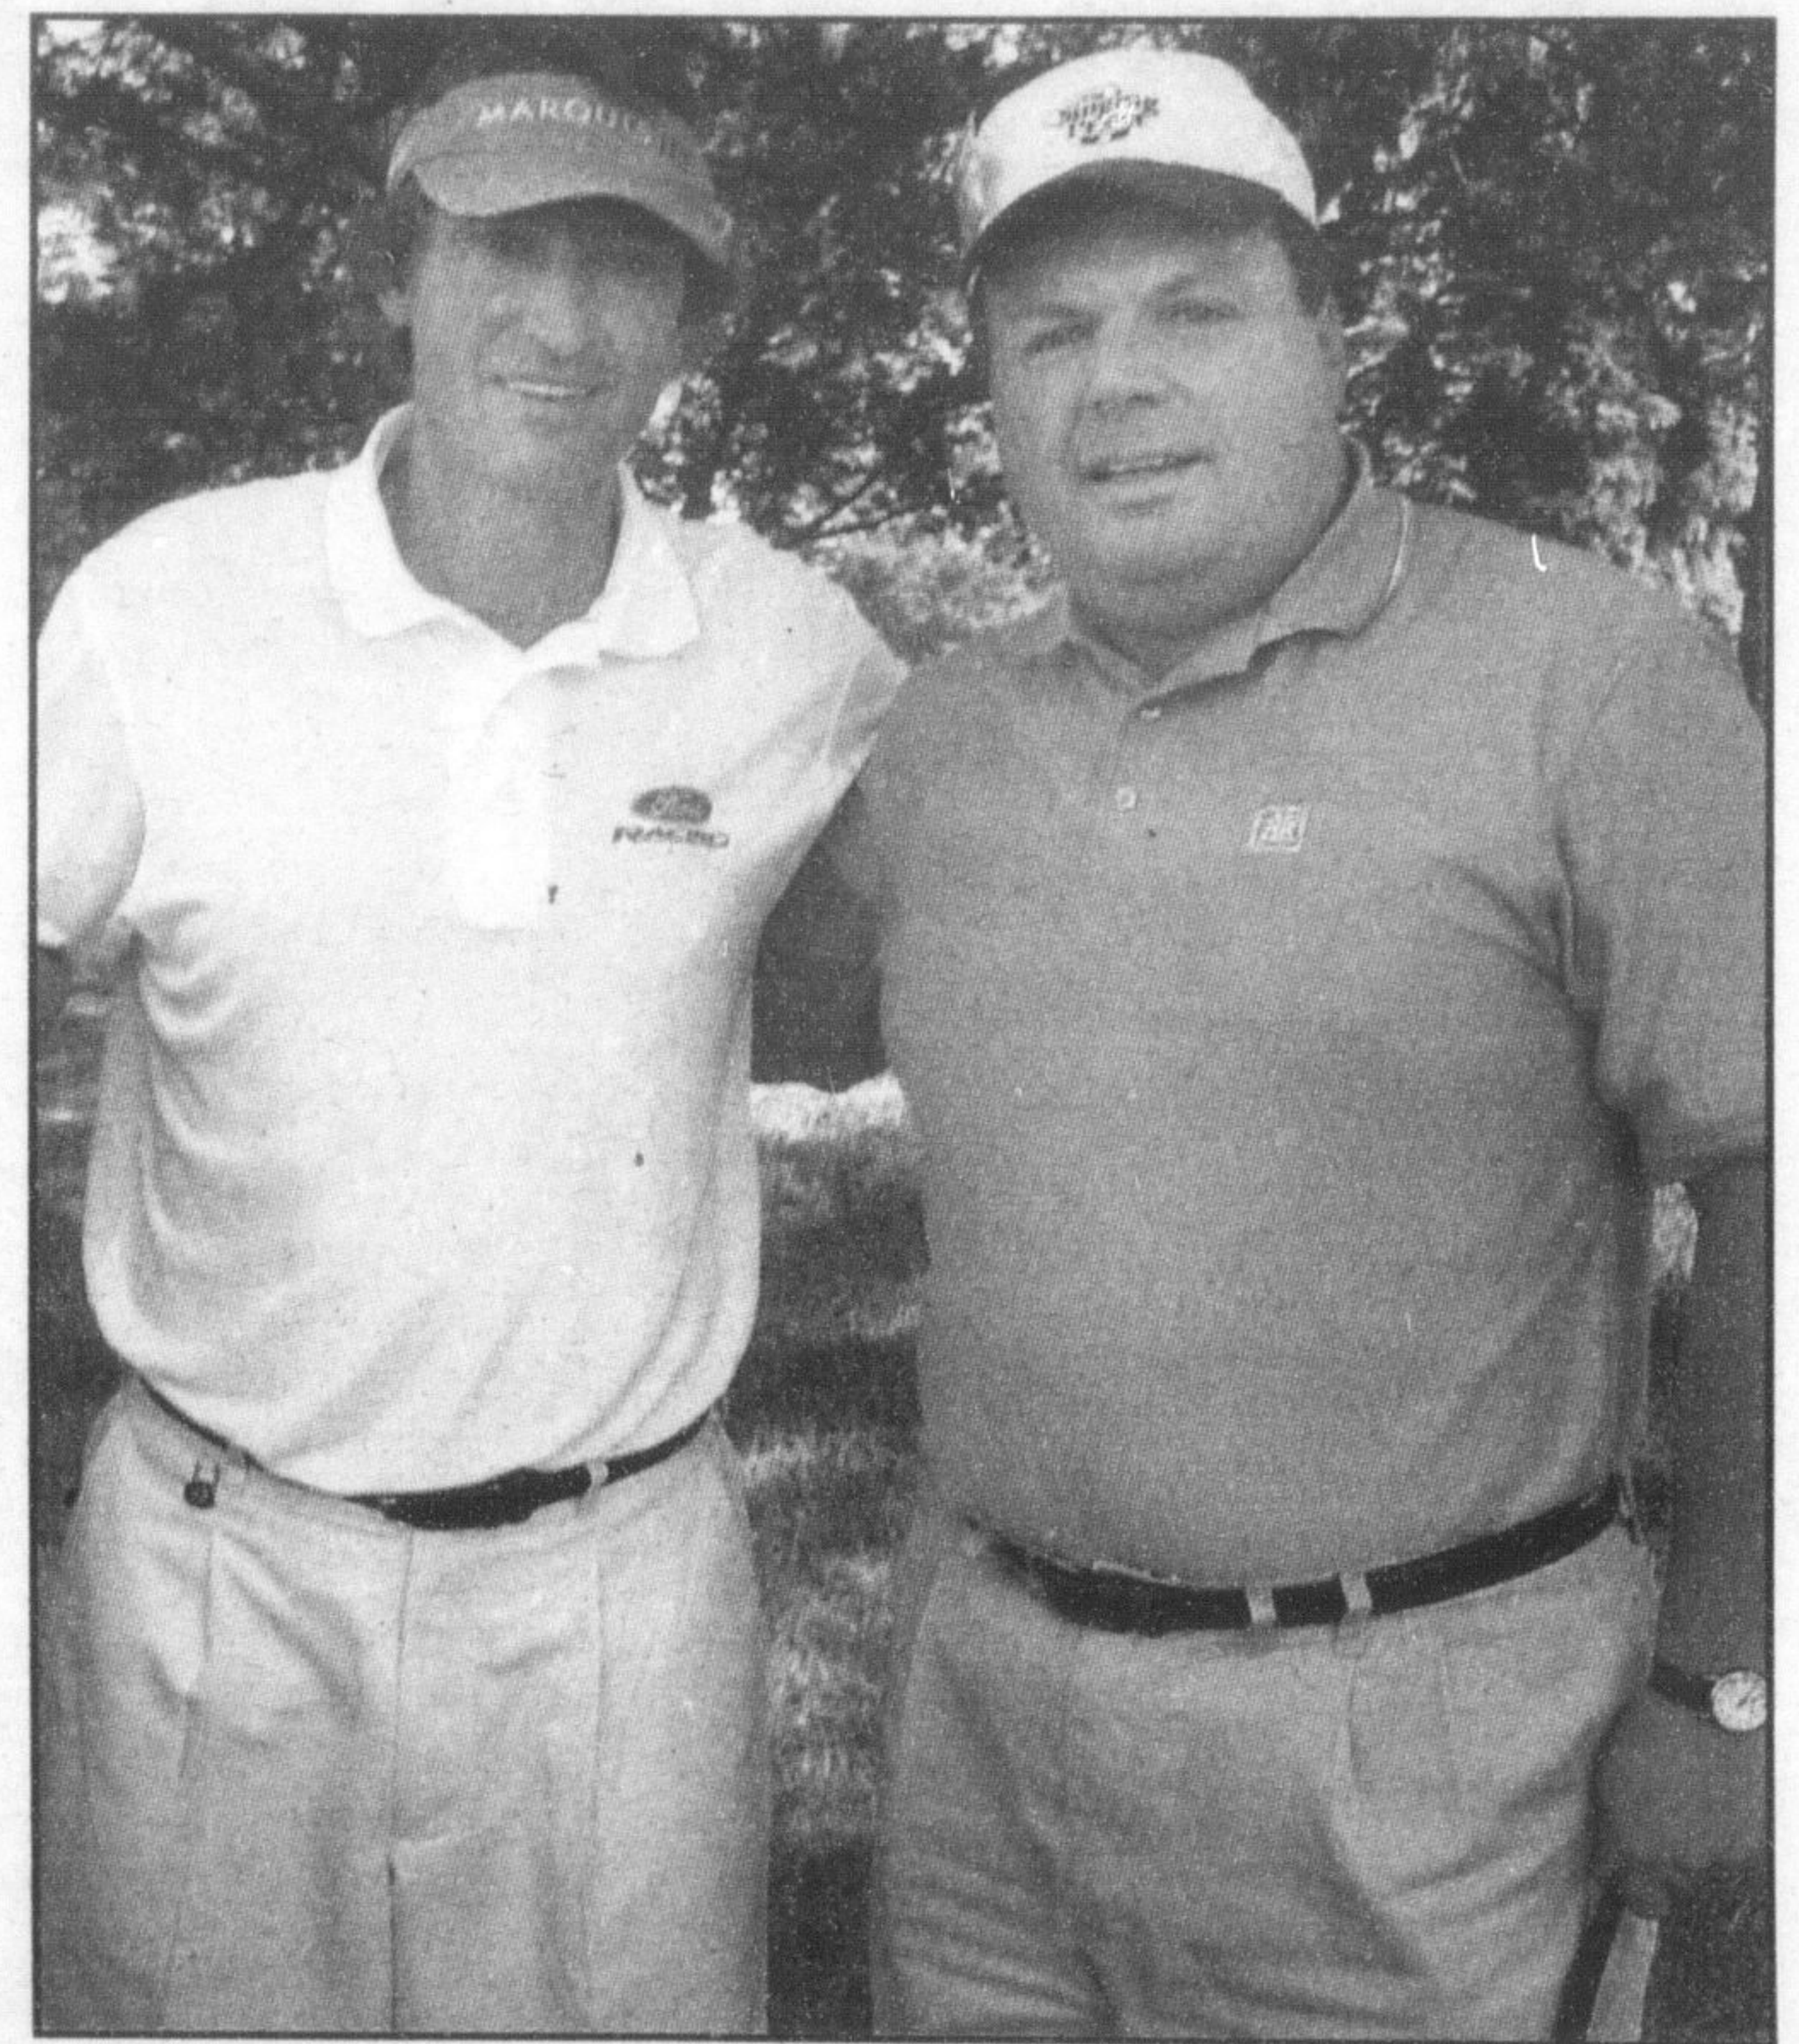

Milton's own Father Mark Curtis, a Milton town councillor, won the 24th annual Walter and Wayne Gretzky CNIB Celebrity Golf Tournament with a score of -18.

Both Wayne and Walter Gretzky were on hand when Father Curtis was presented with the winning trophy at the Brantford Golf and Country Club.

Father Curtis was invited by Walter Gretzky along with many other sports and entertainment celebrities to participate in the tournament, which helps raise awareness and funds for the Canadian National Institute for the Blind (CNIB).

The tournament raised \$80,000 for the CNIB Scholarship Foundation for the Blind Youth of Canada, which provides funding for post-secondary students, and the CNIB Gretzky SCORE Teen Camp, which provides computer experience and leadership training to teens who are blind and visually impaired.

The CNIB serves more than 96,000 Canadians through a network on 57 centres.

Mark Curtis is congratulated by 'The Great One' Wayne Gretzky himself after winning the 24th annual Walter and Wayne Gretzky CNIB Celebrity Golf Tournament Tuesday.

The Regional Municipality of Halton  
*A Partnership That Works!*

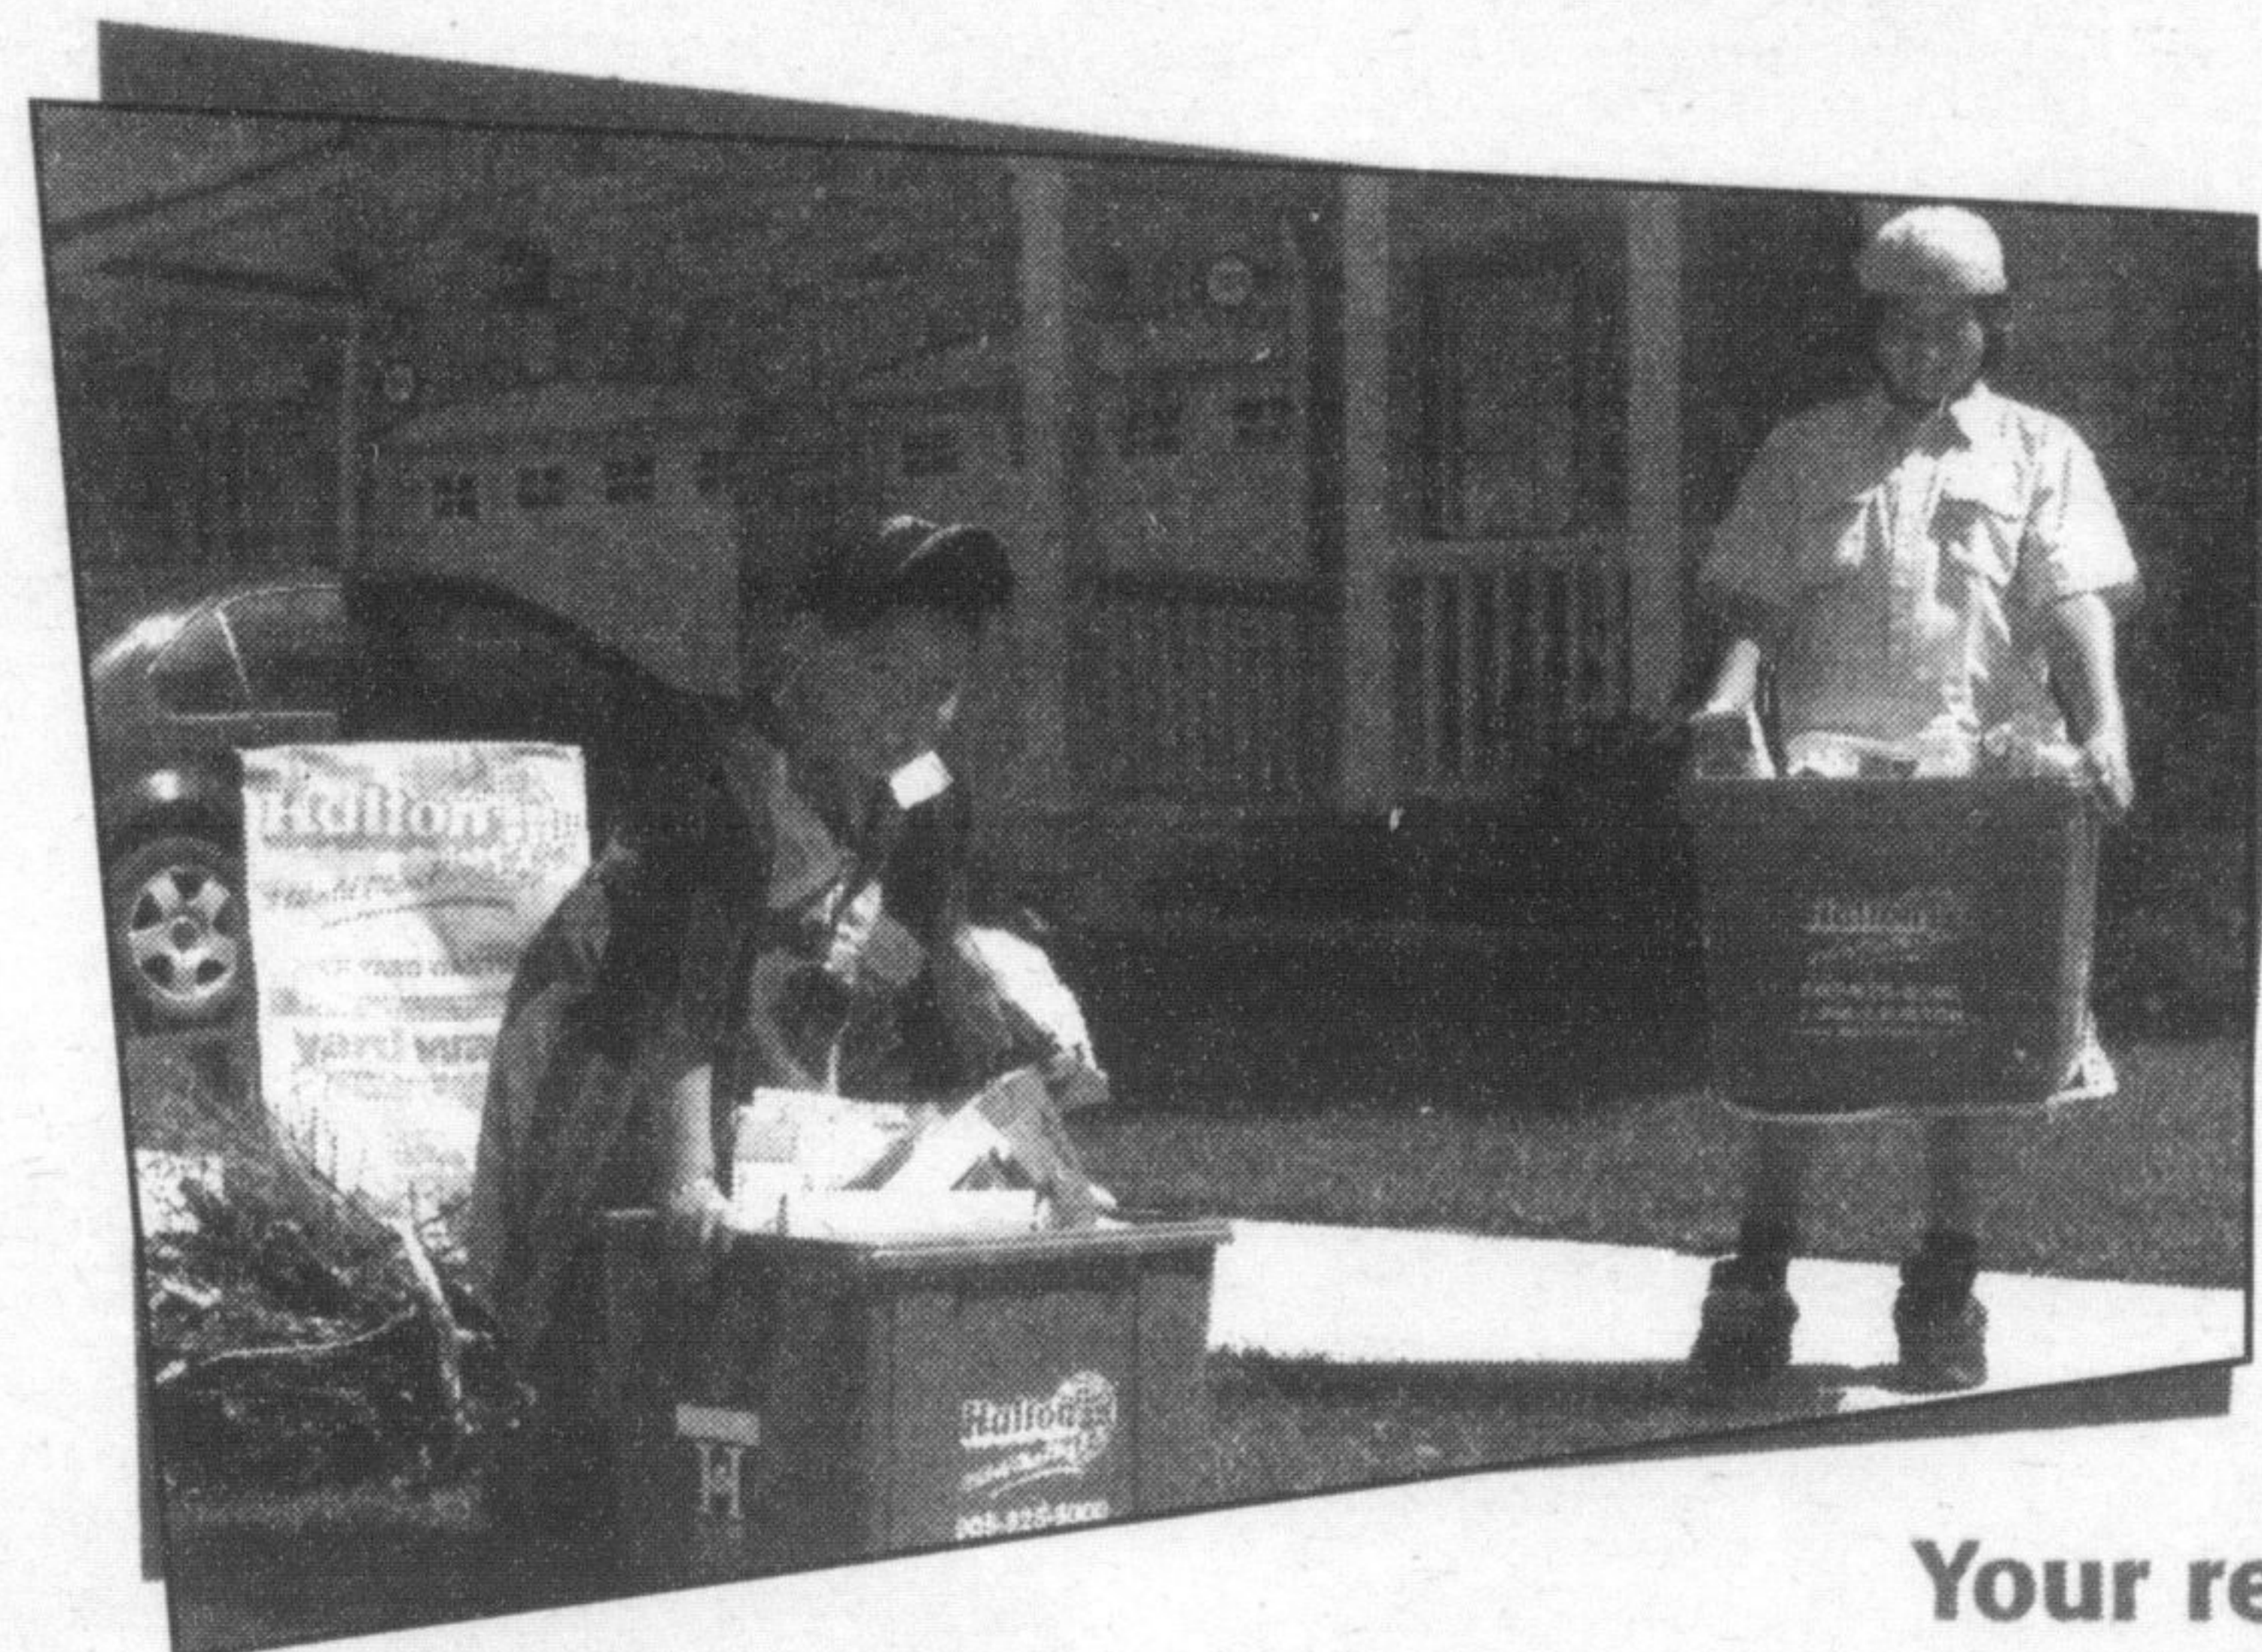

**Halton Region Residents**

**Rock At Recycling!**

Your continued efforts to waste less and max out your Blue Box will help build on our current success and increase the life expectancy of the landfill - our made in Halton solution to managing Halton's garbage.

Not only do we all benefit from reducing the amount of waste in the landfill - the items you place in your Blue Box can be granted a second life through recycling. For example, juice boxes can be recycled into toilet paper and flowerpots and PET soft drink bottles can be recycled into fibres for carpets, fleece clothing and jacket stuffing.

**Your recycling efforts have led to a 41.6% reduction in waste going into Halton Region's landfill Thank you.**

Please remember to place your bottles and containers in one Blue Box and your papers in a second Blue Box before placing your recyclable material at the curb.

For more information on waste reduction or the Blue Box program contact us.
