Business After Hours

Left to right: Brenna Bartley of Conservation Halton enlightens some of the guests on the history of the Iroquoian people.

Chamber Members enjoyed meeting for the July Business After Hours at the beautiful Crawford Lake Conservation Area. Members had an excellent opportunity to network while learning about the historic site through an informative presentation by acting manager Linda Scott and visiting the reconstructed Iroquoian Village. The evening at Crawford Lake again showed how much Escarpment Country™ has to offer the town of Milton.
