*Although you're always in our hearts
We like to now and then,
Say just how much you've meant to us
Along the road we tread.
With every loving look we see,
With every gentle touch,
Your face appears before our eyes,
To remind us of your love,
The legacy you left with us,
Of LOVE and FAITH, HOPE and PRAYER,
Has guided us along the way,
And helped us climb the stairs,
of SORROW, JOY, HAPPINESS and even of
DESPAIR.
In FRIENDSHIP you were true, for even after 20
years they still speak of your kindness, wisdom and
compassionate to all who crossed your path.
Though years may come,
And years may go,
Your LOVE will reign supreme
We miss the things you used to do and say,
And when old times, We do recall,
It's then we miss you most of all.
Our hearts still ache with sadness,
Our silent tears still flow
We hold you close within our hearts,
And there you will remain
To walk with us throughout our lives,
Until we meet again.*
