1 Customer Services

Supervisor & 1 Shipping Supervisor

Imperial Manufacturing Group - IMG, located in Oakville, Ontario. We are a leader in galvanized duct-pipe & fittings, heat care products, ventilation, air conditioning, steel studs & accessories and aluminum railing, with operations at various locations in North America. We are currently seeking a Customer Services Supervisor and a Shipping Supervisor for our operations in Oakville Ontario.

Customer Service Supervisor: Reporting to the Plant Manager, and working with the IMG Sales team, you will supervise and lead our customer service team, on day-to-day service priorities & strategy. This will require interface with production, distribution, sales between the multiple levels of the organization. The objective is to ensure excellent customer service by elevating the service standards. You will look at ways to remove-waste and service barriers. This will require a thorough understanding of the business and its processes. IMG wants to develop a world-class Best Practices service level to meet the demands of our customers now and in the future. You must understand, develop, lead and challenge the issues, the team, and the business to improve our overall effectiveness and efficiencies. Candidate qualifications: Strong comprehension of order to cash cycle in order to ensure constant efficiencies and process improvements. A college or University degree and a minimum of 5 years experience in Customer Services management within the manufacturing environment. Advanced problem solving & decision making, communication, negotiations skills and organizational skills are essential, team player and leader, ability to support and motivate. Order Entry systems experience. Candidates with equivalent education training and/or experience will be considered. Knowledge of the HVAC industry would be an asset.

Shipping Supervisor: Reporting to the Plant Manager, you will be responsible to oversee all shipping, picking, dispatching of our fleet and the overall logistics of our Distribution Center. The objective of this role is to ensure prompt high quality delivery of our products to our customers. You will provide leadership to a team of approximately 15 to 20 people on 3 shifts and interface continuously with Customer Service and Production to ensure our customer expectations are met. **Candidate qualifications:** College diploma or University degree, certified designation CITT would be an asset, proven track record in leading others, ability to deal with tough deadlines and manage customer service timelines. Experienced in leading, coaching and addressing HR staff issues. Experience in negotiating and managing transportation agreements. Results oriented, proactive, win-win thinker and a focus on the big picture. Knowledge of the HVAC industry would be an asset.

Please forward your application before August 8th, 2005 quoting the appropriate position and references in strict confidence to:
