

# Language program for children

The Halton District School Board is offering an opportunity for children to learn a second or third language on weekends during the school year.

The Halton District School Board's International Languages (Elementary) Program will begin the week of September 5. It's a continuous entry program, held on the weekends, that's open to all elementary school children born in 2001 or earlier, up to and including grade 8.

Languages offered include Arabic, Cantonese, German, Greek, Hebrew, Korean, Punjabi, Russian and Serbian. Classes will be held in Burlington and Oakville.

For more information, contact Program Administrator Dorothy Whiteley at (905) 632-2944.

## Piping his way to prominence

Matthew Chambers, a local Lorne Scots cadet, was recently part of the opening act at the 100th Centennial Celebration in Cochrane, Alberta. A member of the 2990 RCACC (Milton cadets), Chambers is currently attending a six-week advanced pipes and drums course at the Rocky Mountain National Army Cadet Summer Training Centre, where he's learning advanced music skills and taking part in several ceremonies.
