## World University Games disappointing for Porenta

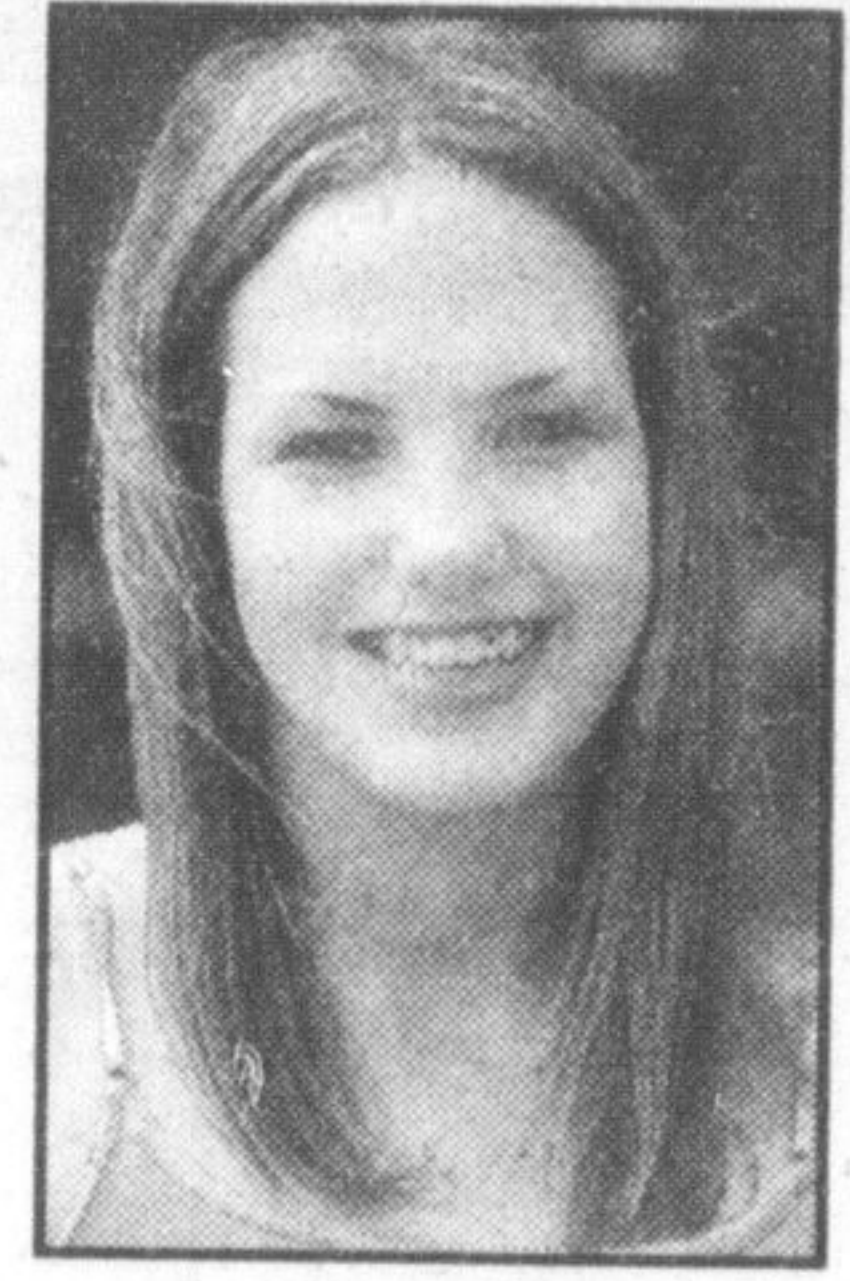

Jennifer Porenta is likely looking forward to her next international swim competition even more now that her last one didn't exactly go according to plan.

The 20-year-old Miltonian was far from her best at last week's World University Games in Izmir, Turkey — where lengthy bus rides to the pool and wide-spread illness from unfamiliar food combined to severely hinder Canada's swimmers.

"I don't really want to make excuses, but it was tough there — a bad experience," said the University of Toronto student.

Porenta's best individual efforts — at least from a timing standpoint — came in the final day's 50m freestyle, in which she clocked in at 26.78 seconds for a 17th place finish.

"It was only two tenths (of a second) off my person-

Jennifer Porenta

al best, so I was fairly happy with it, especially with it being on the last day."

Her efforts in the 100m freestyle were a much different story.

Calling her performance a disaster, she managed an uninspired 58.20s finish that was only good enough for 19th place. The 200m freestyle didn't go any better, with Porenta having to settle for seventh in the 'B' finals with a 2:05.68 showing.

She was also part of the 4x100m freestyle relay that took seventh with a time of 3:51.19.

Porenta will now begin training for November's Commonwealth Games Trials in Victoria, hoping to secure a spot for Team Canada's trip to Melbourne, Australia in March.

"I've got a pretty good shot at that," she said.

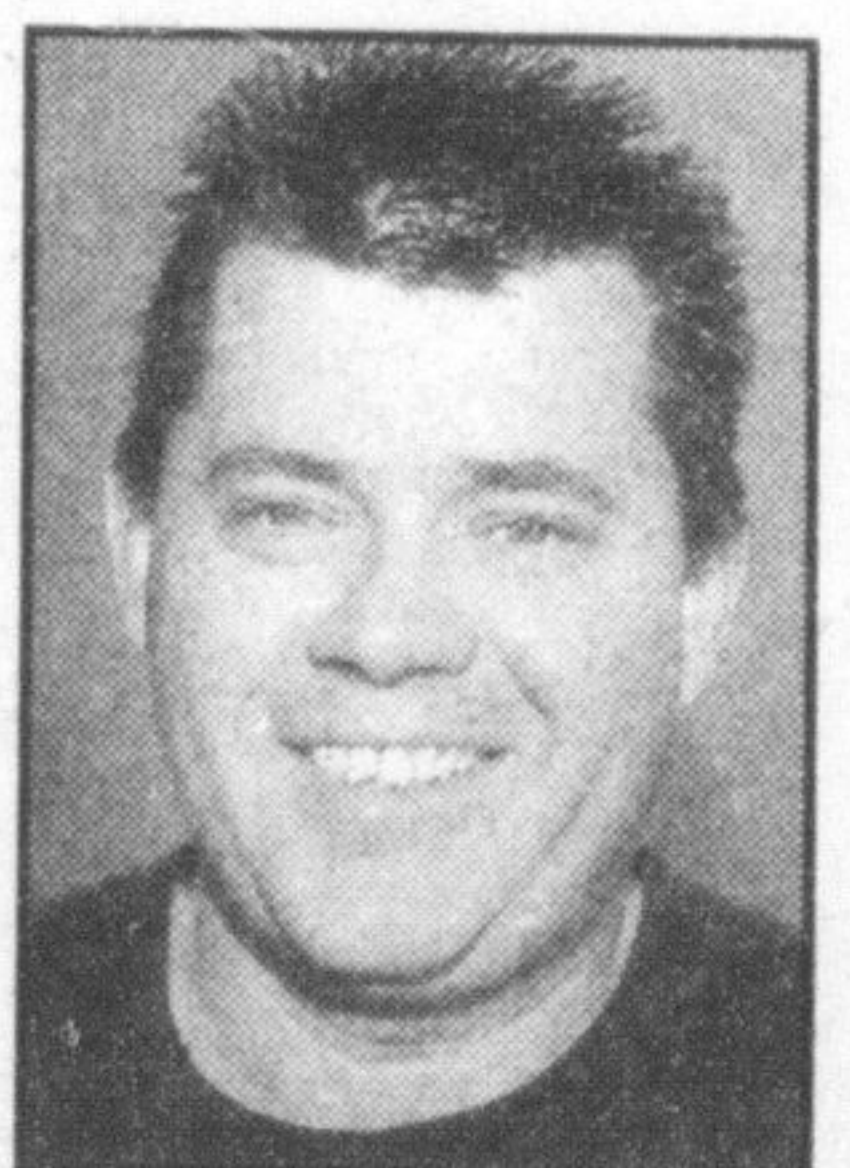

## Fletcher prevails in Sauble Beach

Jeff Fletcher's hopes for the OSCAAR Outlaw Super Late Model series championship live on.

With just five races remaining heading to Sauble Beach Saturday, Milton's seasoned driver knew time was running out to narrow the lead of longtime rival Rob Clarke of London.

And that's exactly what he and the JNE Consulting Team did, persevering through evening showers to take their third feature win of the season.

Fletcher grabbed the lead on lap 19 — when Memorial Race.

John Fletcher

Georgetown's Jeff Hanley had to come in to change a flat tire — and maintained it the rest of the way en route to his first victory since July 16 in Peterborough.

"We had the best car I've ever had her tonight," said Fletcher, of his #61 Chevy. "Scott (Fletcher) made some changes that really brought the car around."

He now sits just 102 points behind Clarke and will look to draw closer next Saturday, when he attempts to defend his title at Peterborough Speedway's Don Biederman
