President's Message

Joyce Hagevik

Welcome back! For many of you, September means getting back to work from holidays and getting the family back to school. For the Milton Chamber of Commerce, September means getting our committees back to work as well! After a well deserved summer break, the Chamber committees will resume meetings this month to plan and coordinate some exciting events and networking opportunities, and plan and develop policies and positions on local, regional and provincial government initiatives, proposed policy, and decisions that effect our community and our businesses.

The Milton Chamber of Commerce is a grassroots organization that continues to succeed because of the involvement of our members. Board members and committee members come together to work on programs and events that make the Milton Chamber and all of its services possible. The Chamber's volunteer

committees provide interested members with meaningful opportunities to make a difference in the Milton community. Have you considered joining a committee? During the next couple of weeks, our Chamber committees will be planning their budget and activity goals for the 2005/2006 program. The Milton Chamber currently has the following committees: Board of Directors, Membership Services, Government Relations, Sports Celebrity, Networking and Special Events, Mayor's 25th, Escarpment Country™ Tourism, Marketing and Communications, Golf, Business After Hours, and Scholarship. We currently have openings on our Networking and Special Events Committee and our Escarpment Country™ committee.

Are you a Chamber member who wants to network and meet other members? Wants to be a part of a team to design and deliver programs? Wants to contribute to the development of Chamber policy? Wants to increase their own awareness of community projects, proposed legislation and how it affects your business?

Getting involved is good for business! For more information please contact Executive Director Sandy Martin at 905-878-0581 or sandy@chamber.milton.on.ca
