Artists Terry Rammell, Douglas Elliott and Linda Shantz show some of the works they displayed at the Heritage Hair Salon in Campbellville over the weekend.

## Visitors can see bison up close at conservation area

It's not every day a bison can be seen, much less be close enough to be touched.

But that's exactly how close visitors will be able to get to these 1,000-pound — at least — creatures throughout the autumn season at Mountsberg Wildlife Centre.

The Bison Tour at Mountsberg allows visitors to take a wagon ride into the bison compound to visit with the herd.

In addition to the Bison Tour, Mountsberg is featuring its tradi-

tional Autumn in the Country celebrations weekends and holidays until November 13 from 10 a.m. to 4 p.m.

Classic favourites at the Autumn in the Country event include the five-acre Mystery Maze, cider pressing demonstrations, pumpkin bowling and a family campfire cookout.

Another event being held is the Thanksgiving Weekend Family Scavenger Hunt October 9. And October 30, visitors will be rolling

up their sleeves for the annual Great Pumpkin Carving Contest.

As usual, Mountsberg Wildlife Centre features the PlayBarn, hiking trails, fishing and birds of prey presentations.

The park is located on Milborough Line, south of Hwy. 401 between Guelph Line and Hwy. 6.
