Thank-You!

We would like to take this opportunity to thank all of our volunteer coaches for coaching over 2300 players in 2005, we couldn't do it without you.

We hope that you had fun and that you will return again next year. In order to place our coaches and comply with OSA rules, we need all new and returning coaches to complete a coaching form.

Remember coaching only takes a couple of hours a week of your time but the rewards are priceless.

PRESIDENTS MESSAGE...

Well, here we are at the end of another soccer season. We hope that you and your family had an enjoyable summer and you and your children made many new friends on the fields.

The league has grown again this year, including our rep teams we now have over 2300 players. A big thank you goes out from me to your board of directors for all their effort and countless hours of hard work. They have made my last year as President an enjoyable one. Thank you all for your support.

I would also like to thank all the players, parents and coaches who supported our referees this year. Without them, we would not be able to play the game. Although you may not always agree with all their calls it is most important to remember most of our referees are young and are learning. We need to support them to keep them returning year after year to improve. We will continue to enforce a no tolerance, non-interference policy.

In addition, a great big thank you goes out to our individual league convenors on a job well done.

We at MYSC are always striving to provide the best soccer experience possible. We hope to see you all back next season.

Thanks

Dave Haringa
MYSC President
