

Your Invitation To Worship

How Far Do You Have to Go to Find God?

A little boy decided to set out one day on a pursuit of God. He desperately wanted to encounter God - one on one. He knew it was a long trip to where God lived, so he packed his suitcase with a bag of potato chips and a six-pack of root beer and started his journey.

When he had gone about three blocks, he saw an old woman. She was sitting on a park bench, staring at some pigeons. The boy sat down next to her and opened his suitcase. He was about to take a drink from his root beer when he noticed that the old lady looked hungry, so he offered her some chips. She gratefully accepted it and smiled at him.

Her smile was so pretty that the boy wanted to see it again, so he offered her a root beer. Again, she smiled at him. The boy was delighted! They sat there all afternoon eating and smiling, but they never said a word.

As twilight approached, the boy realized how tired he was and he got up to leave; but before he had gone more than a few steps, he turned around, ran back to the old woman, and gave her a hug. She gave him her biggest smile ever.

When the boy opened the door to his own house a

short time later, his mother was surprised by the look of joy on his face. She asked him, "What did you do today that made you so happy?"

He replied, "I had lunch with God." But before his mother could respond, he added, "You know what? She's got the most beautiful smile I've ever seen!"

Meanwhile, the old woman was also radiant with joy, and returned to her home. Her son was stunned by the look of peace on her face and he asked, "Mother, what did you do today that made you so happy?"

She replied, "I ate potato chips in the park with God." However, before her son responded, she added, "You know, he's much younger than I expected."

As followers of Christ, God lives in us. It is our mandate to practise His presence wherever we go and to let Him show through our actions and our kind words. Too often, we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.

When God can be seen in us, then we can really make a difference in our world. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!

God loves to lunch with his children - spend some time with Him. You'll be glad you did. Visit a local church this

week. Service times and locations are published in the Religious Directory below to help you!
