Above, Mountsberg Conservation Area goers get up close and personal with the centre's bison herd as wagon tours take visitors to the compound each weekend through until Thanksgiving. Above right, Laura Porter takes a photo with her cell phone while on a wagon ride tour. Below, one of Mountsberg's popular residents roams the compound.

## JOIN US FOR OUR 5TH YEAR ANNIVERSARY

### Saturday October 1<sup>st</sup>

October 1, 2000

Jay's Ice Cream is proud to announce our 5th Anniversary and invites Milton to come down and celebrate with us this Saturday October 1st. Jason Vanderveen, owner and manager of Jay's Ice Cream, bought the Cones & More business after running it for 3 years and opened Jay's Ice Cream on October 1st, 2000. Over the past five years Jay's Ice

Cream has endeavored to offer Milton more and more attractions to excite your taste buds and keep you coming back for more.

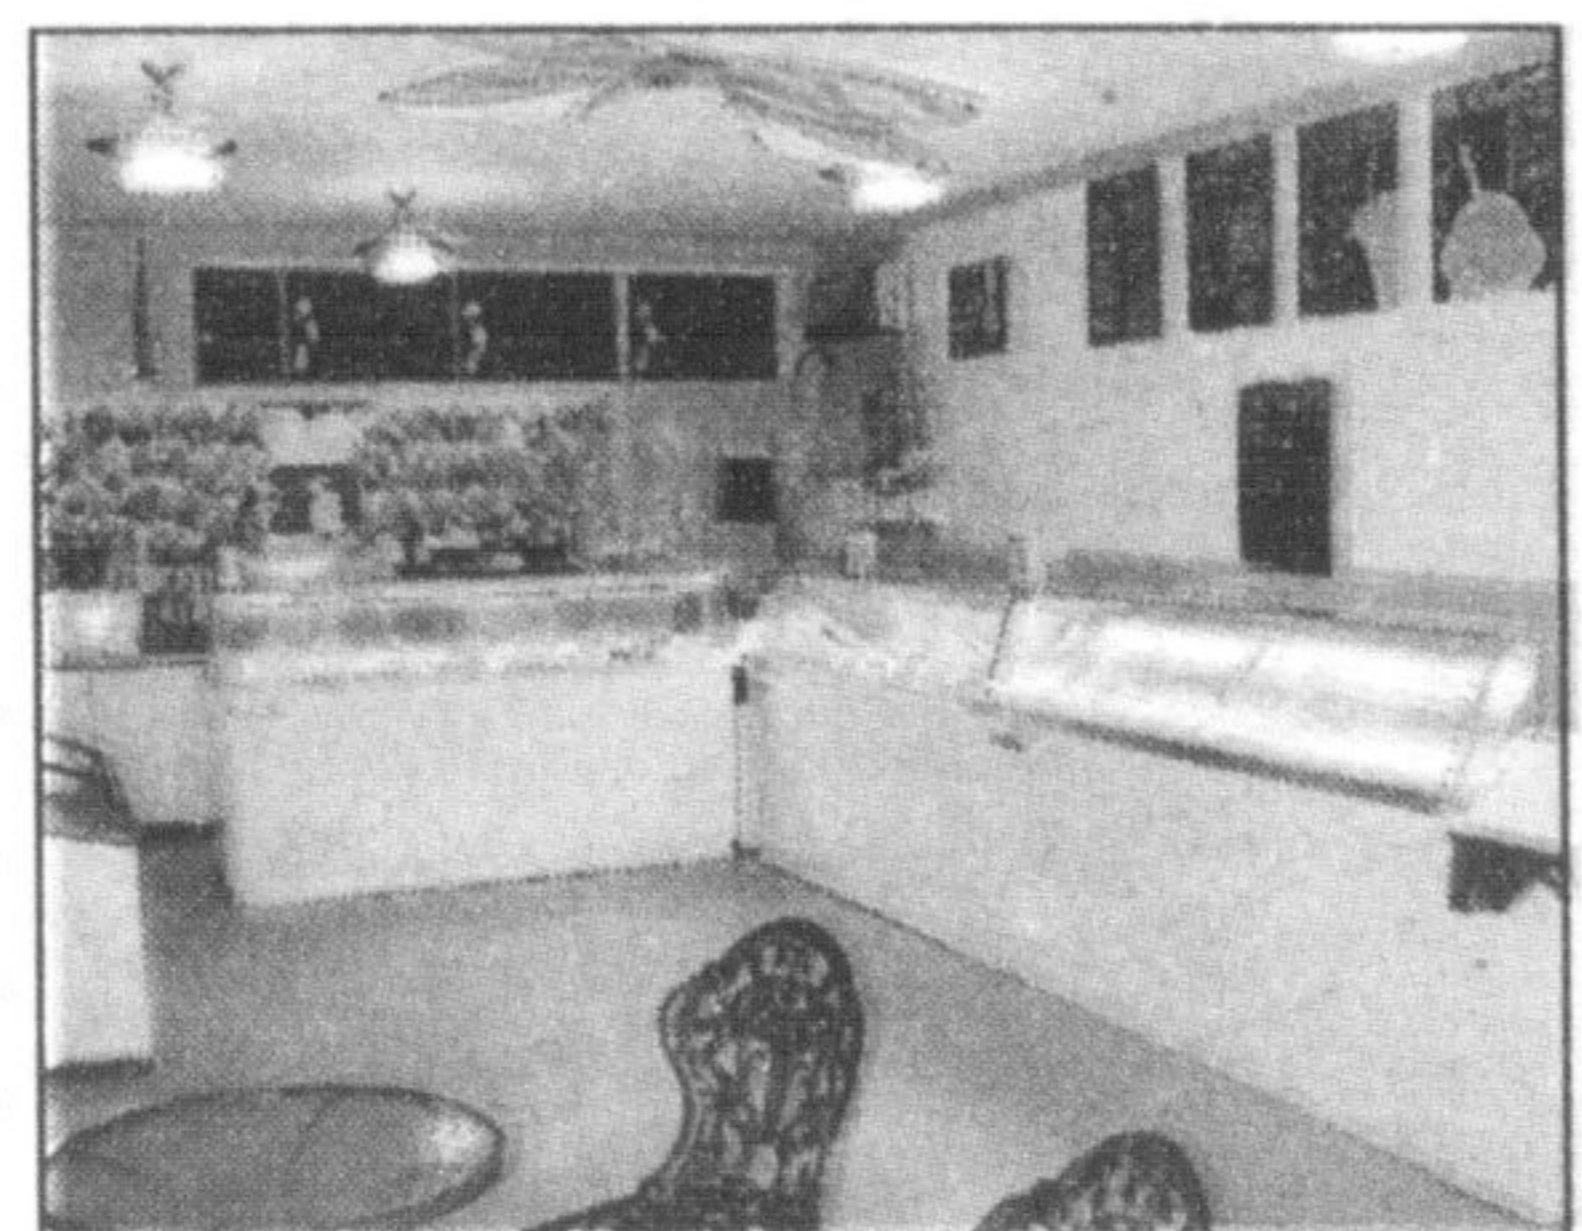

Since opening our doors on October 1st, 2000, Jay's Ice Cream has increased our summer flavours from 32 choices to 48 summer flavours and has also added slushies to their line up. Jay's Ice Cream has also enhanced their frequent buyer cards from not just receiving a free double regular cone, but getting a chance to win a free 6 inch ice cream cake in their monthly cake draw as well.

We would like to thank Milton for showing us support by awarding us Favourite Dessert and Ice Cream in 2003 and 2004 and for nominating us in 2005 in the Milton Choice Awards.

To celebrate our 5th Anniversary Jay's Ice Cream 2005

this Saturday we are offering everyone a chance to win one of two quarter slab ice cream cakes with every item purchased at Jay's Ice Cream!

On a personal note from Jason "I would like to thank my present staff and past staff and of course our great customers on making the first 5 years a great adventure and we are hoping the next five years are just as great!"
