

Is your teacher tops?

As the new school is now well underway, it shouldn't take long for many fortunate students — and parents — to realize their teachers are tops.

Once again, The Champion's Teacher of the Month feature is returning, and we need your nominations.

Does your teacher reach out to students in a special way?

Does your child's teacher have a unique and effective way of teaching?

If so, we want to know about it.

The contest is open to all teachers from pre-school to grade 12 in the public and Catholic school systems, as well as Milton's private schools.

In addition to a feature on the winning teacher in The Champion, his or her class will receive a pizza party.

At the end of the year, a Teacher of the Year will be selected from amongst the monthly winners.

Nominations can be sent by e-mail to miltone@haltonsearch.com or dropped

off to the editor at The Champion office, 875 Main St. E.

Please mark all entries to the attention of 'Teacher of the Month' and have them in by the end of the week.
