Our Appreciation For Barry Burne

BARRY BURNE
Previous Proprietor from 1971 to Aug 31, 2005.

In 1971, Barry & Carol Burne purchased Milton Greenhouses from Bob & Norma Brown. Over the years, the flower shop has evolved and is known for high end floral design and customer service.

NEW OWNERS OF MILTON GREENHOUSES
as of Sept 1, 2005, Michelle and Stephen with daughters Mikayla and Jessica.

On September 1st, Michelle and Stephen Mangotich purchased the store from Barry and Carol. The store will be managed by Stephen's sister Maxine and they are pleased that Donna, Kathy, Debbie, Sharon and Debbie Sims will be staying on with them. When Barry isn't off fishing, he can still be found in the store.

The store will continue to offer over 75 years of combined floral designing experience. We encourage you to call and book your personal wedding or event consultation.

Michelle and Maxine realize they are building on a legacy and will continue to offer the high quality merchandise and service that Milton Greenhouses is known for. "The store has been around for such a long time," Maxine says. "We have ensured that our customers will continue to see familiar faces in the store and all of our contact information will remain the same. Our customers will notice some changes to the interior design of the store over the coming months."

The flower shop is known for reliable local and world wide service. Along with traditional floral arrangements, the personnel is excited to evolve into creative, contemporary designs with unusual flowers and modern packaging. Corporate accounts are welcome and Maxine and Michelle are committed to providing you with customized service to meet your company's needs. Stop in to see the new giftware being offered. Milton Greenhouses offers creative floral arrangements, European hand tied bouquets, mixed planters, tropicals, balloon bouquets, stuffed animals and innovative wedding and funeral designs.

Milton Greenhouses... committed to offering an enjoyable shopping experience! Flowers... think of the possibilities.
