Area artists — up close and personal

Above left, artist Nancy Ruhl takes a moment to reflect as she sits in her First Line barn studio/gallery during last weekend's Fine Arts Society of Milton (FASM) Studio Tour. In the foreground is one of her works — 'Escarpment in Spring'. Top right, stained glass artist Suna Reay shows some of her work to tour goers Natalie Paterson, 12, and her mom Krystyna. Above right, Jill Cuttle works on removing the plaster from her sculpture. Far left, blacksmith artist Erin Nelson holds up one of her chainmaille tank tops as she's reflected in one of her scroll work framed mirrors. At left, four-year-old Sydney Sickinger tries on the tank top for size.
