*Bunge Canada is Canada's leading producer of edible oil products and a proud part of Bunge Limited, a global agribusiness and food company with integrated operations that extend from the farm field to consumer products. We are a principal supplier of high quality agricultural commodities, value-added food products, and specialized food and feed ingredients.*

Bunge Canada requires the services of the following position for our Oakville corporate office:

**Senior Financial Analyst**

Reporting to the Assistant Controller, and working in close co-operation with the Manager of Corporate Accounting, Director of Financial and Accounting Services and the CFO, this position is responsible for corporate financial analysis, forecasting and budgeting coordination for Bunge Canada.

Key responsibilities include: consolidation of the annual business plans; analysis of differences between actual results, plan, and prior year; coordination of the monthly, quarterly and year-end analyses of all balance sheet accounts; development and maintenance of financial reports and budgeting and forecasting models; month end reporting of results; and special projects as determined from time to time.

Qualified candidates will have 3 - 5 years experience in accounting or finance, be a university graduate of an accounting/business program and possess accreditation as a CA, CMA, or CGA. Also required are strong analytical, technology, organizational and communication skills. SAP financial systems experience is an asset. Unrestricted cross-border mobility for U.S. business trips is essential.

Qualified candidates should forward a resume no later than October 17th, 2005 to:

Lori Broere  
Bunge Canada  
2190 South Service Road West  
Oakville, Ontario L6L 5N1  
Email: lori.broere@bunge.com

Bunge Canada supports and practices employment equity principles. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
