

The Regional Municipality of Halton

PUBLIC INFORMATION CENTRE

NEW BURLOAK WATER PURIFICATION PLANT IN THE TOWN OF OAKVILLE

The Region of Halton is currently in the detailed design phase of the new Burloak Water Purification Plant, which will be located on the south side of Rebecca Street just east of Great Lakes Boulevard in the Town of Oakville. To achieve the goal of designing a facility that is compatible with the surrounding community, the Region has established a Citizen Advisory Committee to provide input on the architectural and landscaping design of the Burloak Water Purification Plant and to provide comment to the project team with respect to the construction activities for the project.

A Public Information Centre will be held to provide you with information about the detailed design and construction activities. Representatives from Halton Region, the consultants, the intake tunnel contractor and members of the Burloak Water Purification Plant Citizen Advisory Committee, will be in attendance to answer any questions. The Public Information Centre is scheduled for:

DATE: WEDNESDAY, NOVEMBER 2, 2005
TIME: 6:30 P.M. TO 9:00 P.M. (presentation at 7:30 P.M.)
PLACE: HALTON REGIONAL CENTRE
 HALTON ROOM/COUNCIL CHAMBERS
 1151 BRONTE ROAD, OAKVILLE

You are invited to drop in any time during the above-noted hours to review and comment on the detailed design and construction activities. If you are unable to attend this Public Information Centre and wish to obtain more information or provide written comments, please address your concerns to the Region's Project Manager:

Jacqueline Weston, P.Eng.
 Special Projects Engineer
 Region of Halton

Phone: 905-825-6000, ext. 7433

Fax: 905-847-2192

E-mail: BurloakWPP@region.halton.on.ca

Alternatively, you may contact Access Halton at any time of the day or night at (905) 825-6000.

NOTICE OF PUBLIC INFORMATION MEETING

BULK WATER STATIONS

As part of Halton Region's customer service commitment with our bulk water haulers, we invite you to participate in a Public Information Meeting to discuss the proposed bulk water delivery program migration to specified potable and non-potable delivery sites.

Public Information Meeting is being held on:
Wednesday, October 26, 2005
5:30 p.m. to 7:00 p.m.
Presentation: 5:45 p.m.
Halton Regional Headquarters, 1151 Bronte Road, Oakville
Scotchblock/Merton Room

If you are unable to attend, please contact:
 Linda Petelka
 Manager, Business Improvement & Finance Ext. 7640
 E-Mail: petelka@region.halton.on.ca

Leading by Example!

Chairman
 Joyce Savoline

As we approach Waste Reduction Week in Canada (October 17-23), Halton continues to be a leader in waste reduction with one of the highest diversion rates in the GTA. Almost 42 per cent of our residential waste is diverted away from the landfill and is reused, recycled, or composted.

Halton residents should be proud of their efforts that have extended the life expectancy of our landfill. Halton residents and businesses have worked hard over the past 13 years to ensure that our landfill meets our needs for years to come. With recent discussions about the potential for the Michigan border closing to Canadian garbage, we continue our efforts to engage the Province to ensure that Halton's landfill remains open only for Halton's garbage.

To learn more about ways to reduce waste, please visit our website at www.region.halton.on.ca

Halton Regional Meeting Schedule:

October 18th 9:30 a.m.	-	Health & Social Services
October 19th 9:30 a.m.	-	Planning & Public Works Committee
October 19th 1:30 p.m.	-	Administration & Finance Committee
October 26th 9:30 a.m.	-	Regional Council

Milton Urban

Yard Waste Collection Tips

Urban Yard Waste is collected every other week on the same day as your Blue Box from April 6 to December 7, 2005.

Acceptable Items include:

Yard and garden trimmings, leaves, pumpkins, fallen fruit and tree and brush trimmings

Unacceptable Items include:

Grass clippings, tree stumps, sod, soil and rocks
 Garbage and recyclable material

Tips for setting out your yard waste:

- Use open, reusable, rigid containers such as bushel basket or plastic tub
- Place a yard waste sticker on your container (available from Halton Region)
- Use a paper yard waste bag
- Bags, containers must be less than 23 kg (50 lbs)

Note: Yard waste placed out in plastic bags (including decorative plastic Halloween bags) and cardboard boxes will not be completed.

Brush:

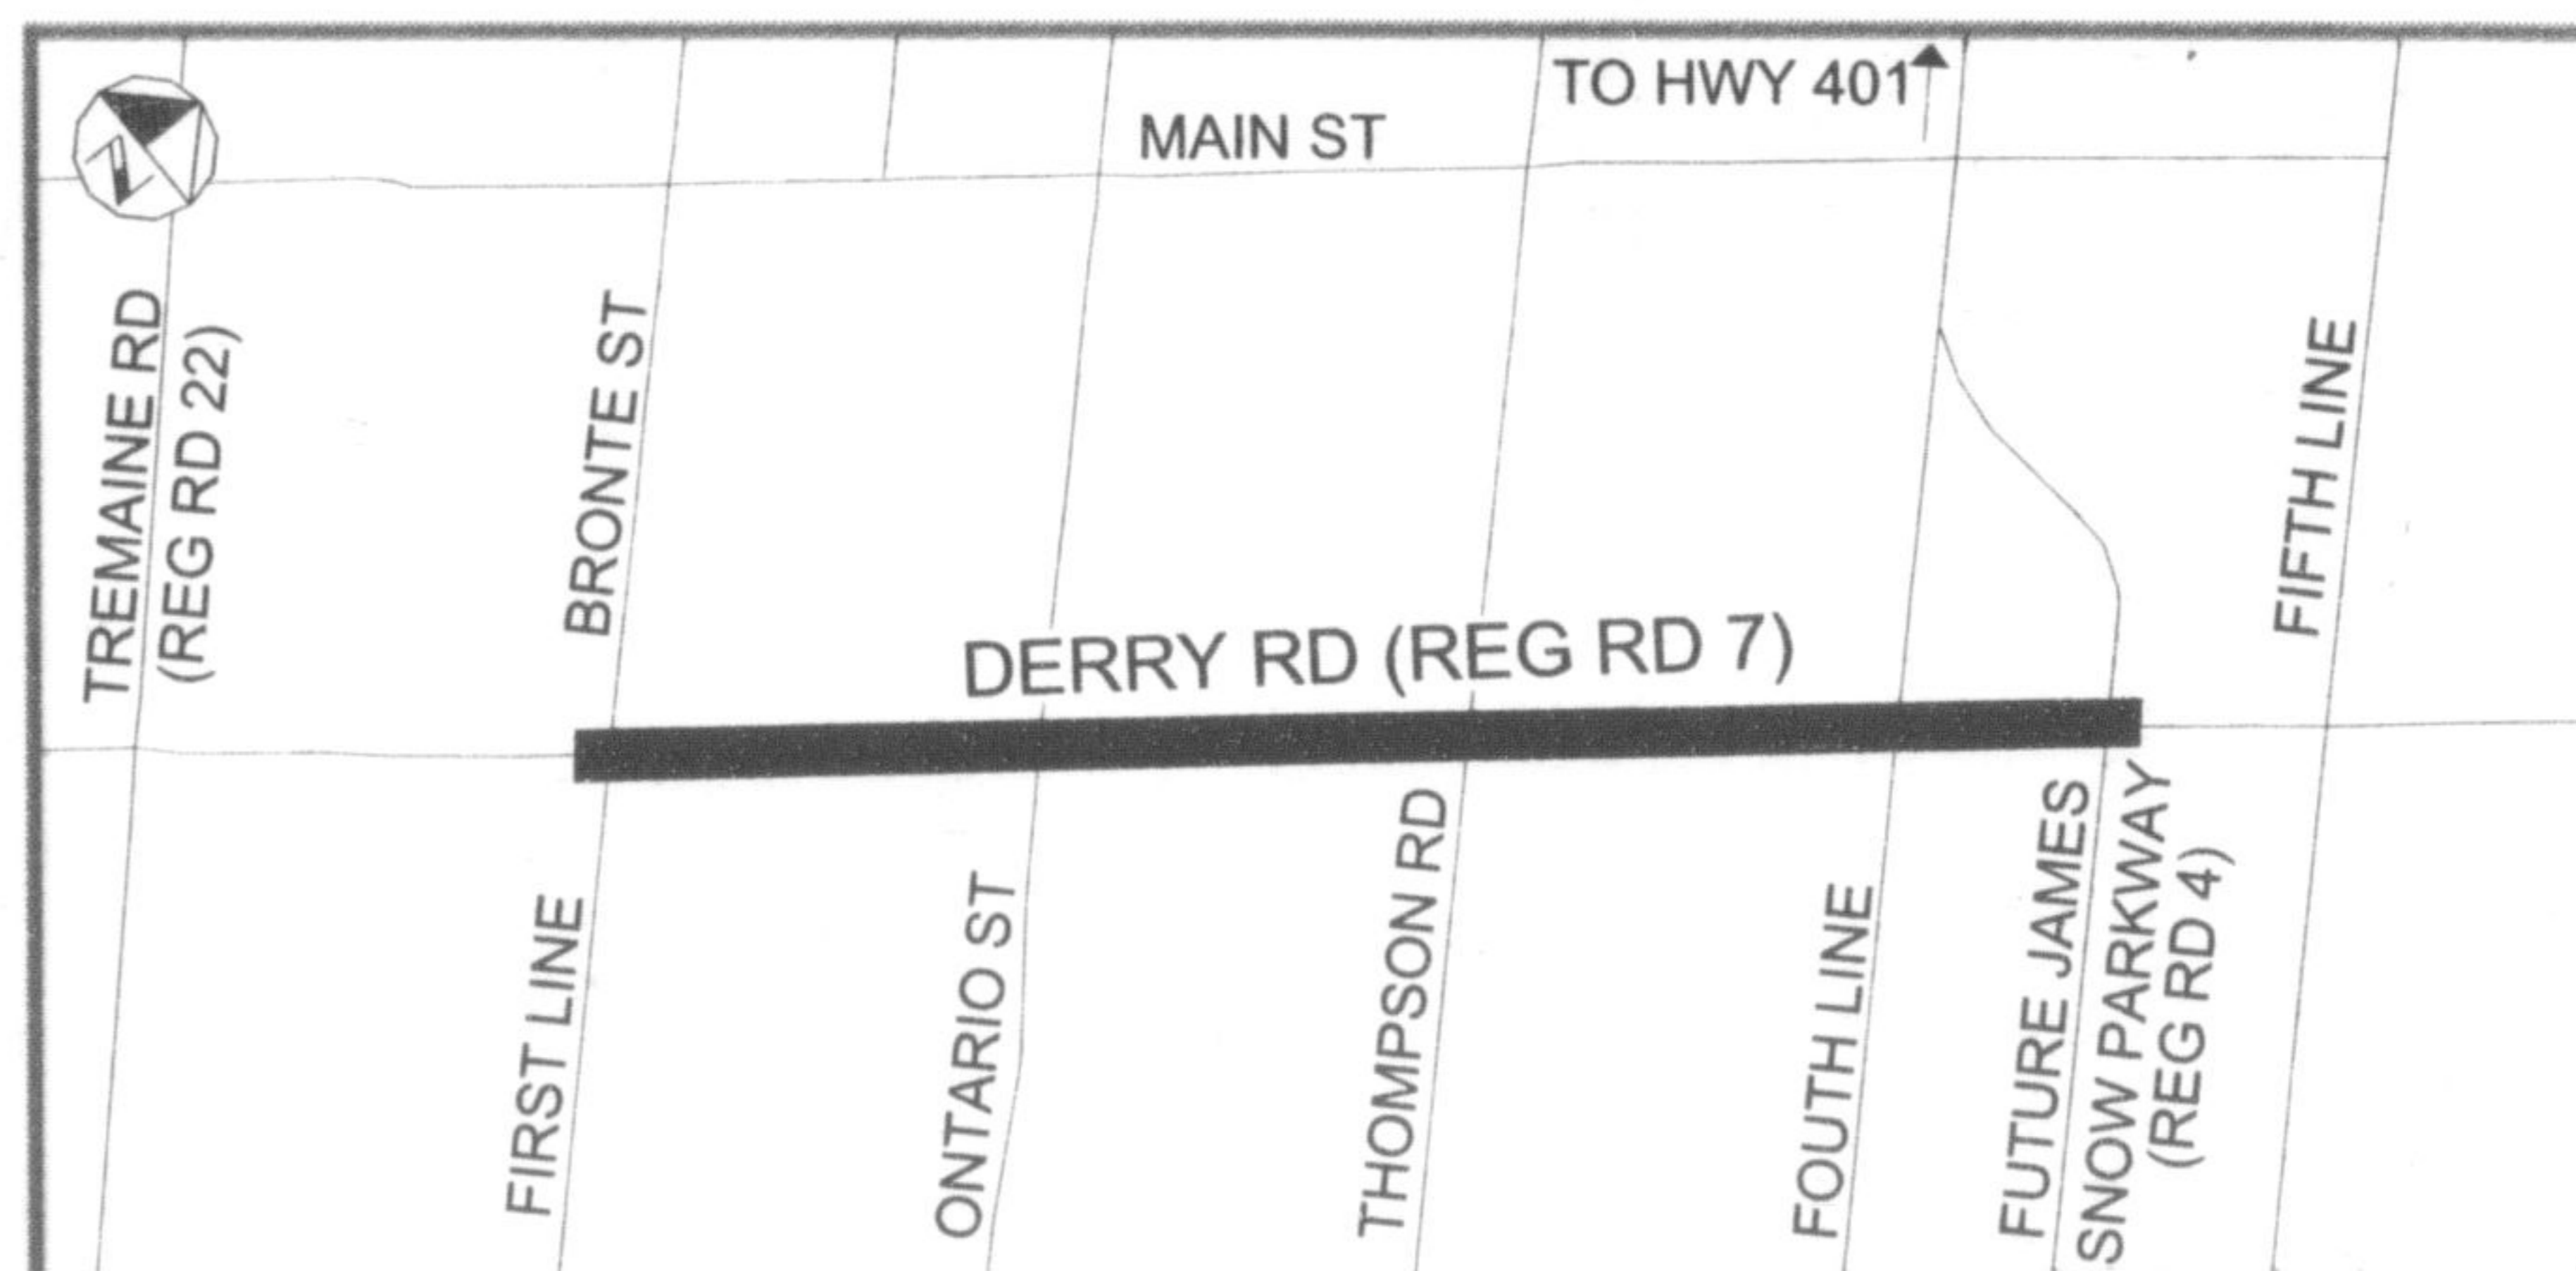

Must be tied in bundles no larger than 1.2 m (4 ft) long by 0.6 m (2 ft) wide, with branches a maximum of 7.5 cm (3") in diameter.

Please check your 2005 Waste Management Calendar for details in your area or the Region's Waste Management website at www.region.halton.on.ca/ppw/waste
