

Volunteers needed to help out at Milton Santa Claus Parade

It's almost that time of year again for the Milton Santa Claus Parade, and organizers are looking for volunteers to help out with the festivities.

The annual event is set to take place November 27 at 2 p.m., and the parade committee is seeking between 10 to 12 adults to be walking parade marshals that day.

Marshals will be needed from noon to 4 p.m. and should be able to walk the 2-km route to provide safety and security for parade participants and spectators.

Those interested in marshaling can call Colin Best at (905) 878-3623 or Laura McKee at (905) 878-6347.

Volunteers are also needed to help organize the parade, and student and adult volunteers are required to assist before and on the day of the event.

Hours that students put in will be counted toward their community service time required for high school graduation.

Contact volunteer chair Alma Gildea at (905) 878-9838 or e-mail almagildea@yahoo.ca to get involved.

This year's parade theme is 'A Musical Christmas'. The parade committee reports that many bands have been booked for the event and several local groups and businesses are already planning their floats.

The Milton Fire Department will be involved once again, collecting food along the route for the Salvation Army. Members

of the Rotary Club of Milton will also be out taking up a collection to help offset the costs of the parade. Those looking to make a donation will recognize the club members in their Rotary vests, who'll also be carrying brightly-marked Santa Claus Parade pails.

The parade will start on Bronte Street and proceed north to Main Street, head east through the downtown and then go south on Ontario Street to the main entrance of E.C. Drury.

Parade entry forms are available at Mail Boxes Etc., the Milton Chamber of Commerce, Subway locations on Market Drive and at the Milton Crossroads shopping centre, Town Hall, Mike's Barber Shop and the Milton Sports Centre. Deadline for entries is Thursday.

For more information on the parade or to get involved with the parade committee, call Laura McKee at the above-noted number or e-mail her at lauranne62@hotmail.com.
