**Milton District Hospital Foundation**  
**2005 Buy a Bulb Program**  
**We Believe in Angels**

On behalf of the thousands of people we have cared for over the years, we would like to express to you our sincerest appreciation. Your generosity has helped the Milton District Hospital (MDH) provide both the tools and environment that are so important in ensuring the growing community of Milton receives state-of-the-art healthcare. We couldn't have done it without YOU!

Your support and financial contributions to the MDH over the past twenty-five years has truly inspired us. Some might say our donors are angels in disguise. Our "angels" are individuals, families, corporations, and friends who simply believe in giving health and hope to others and your kindness enables our dreams to become reality.

In 2003, we introduced the **We Believe in Angels** campaign beginning with the first of our series the **Angel of Dreams**, followed by the **Angel of Friendship** in 2004. Because of your generosity the buy-a-bulb campaign has raised \$820,000 since its conception in 1991. Our goal is to continue to support the Milton District Hospital through programs such as this and in the very near future reach the \$1,000,000 milestone through our Christmas campaigns.

This year we would like to introduce the last angel in the series. "**Angel of Celebration**," is a keepsake which will be given to those donors that support the Milton district Hospital with a gift of \$250 or more. This year the funds raised by the Buy-a-Bulb campaign will go towards the purchase of a much needed Colonoscope for the Milton District Hospital.

As part of your Buy-a-Bulb donation, lights will be lit on the Tree of Caring. You have a choice of the lights being lit in your name or in honour of a loved one. As in past years, a special **Tree of Memories** will be lit with white lights to honour those who are no longer with us. Donors remembering a loved one by donating to the "**Tree of Memories**" will receive a special charming keepsake ornament.

We would be very honoured if you and your family would join us for our annual **Tree of Caring** Lighting Ceremony. It's a wonderful opportunity for us to say thank you and to commemorate the Holiday Season, as well as the many other celebrations that make our community so unique.

This year's celebration will take place on **Tuesday, December 13** from 7:00 to 9:00 p.m. in the lobby, and on the front lawn of the Milton District Hospital. The evening will consist of entertainment by the Milton Choristers and delicious refreshments.
