In business

At left, Paula Desjardins and husband John Lawson show off some footwear from their newly-opened specialty running store Foot Tools. The Mary Street business had its grand opening Saturday. Above, Ruffins Pet Centre's Rick Vickers (left) presents Jim and Esaura Brott with a GEO system natural aquarium. It was the grand prize for the store's recent grand re-opening on Main Street. Below, (from left) Rebecca Morley, RMT, Dr. Vinay Garg and office administrator Kim Hastings are all smiles during the recent grand opening of the Impact Chiropractic and Rehabilitation Centre on Nipissing Road.
