MILTON DISTRICT HIGH SCHOOL

*'Twas two weeks 'till Christmas when all through the school,
The Mustangs were on fire, thought the weather was cool.*

*Tests and assignments are being finished with care,
In hopes that A-plusses soon will be there.*

*Sr. girls volleyball team were snug in their gear,
All set for their first game against B.R. this year.*

*The coaches on benches, the girls on the court,
The game, it began and Mustangs would not fall short.*

*And out on the floor, there arose no such trouble,
Our girls overpowered and beat them on the double.*

*Then down came the volleyball nets in a beat,
For the next big event, a staff-student meet!*

*A few days had passed with more cold and snow,
And temperatures dropping to forty below.*

*When finally, a big day, a big event arrived;
A good game for all, just what the doctor prescribed.*

*The staff and kids met for a basketball game
While fans on the sidelines called players by name:*

*Go Hipple, go Hamilton! Go O'Brien and Khan!
On Rudder and Adams, let's take them on!*

*To the top of key, drive in to the net!
Now toss up that lay up, see what points you can get!*

*And then in a twinkling, the game, it was done,
The fans in the stands were so proud of who won.*

*Once out of the gym the grads began to prepare,
They cleaned up and dressed up and combed out their hair.*

*They dressed to the nines from they're heads to their feet,
For their grad photo appointments were to take place that week.*

*Others had bags they had flung on their backs,
With piles of books they had stuffed in their pack.*

*The kids--how they waited! Holidays in how long?
Desires to go shopping before all the good gifts are gone.*

*But before they can go there's dinner to be had,
On the 20th, for you and all mom's and dad's.*

*There'll be food piled high to fill up your belly,
Dinner, dessert and music sweeter than jelly.*

*Then out of the café and turn down the hall,
This year's Christmas concert, the music will call.*

*And after the show, three more days, that's right,
Then Happy Holidays to all and to all a good night!*

*'Twas the month of December,
When all through the school,
The students held an Elf Auction
Now isn't that cool?*

*On December 13th,
The elves were sold,
The money to World Vision,
Some bids were quite bold.*

*Along with the Elf Auction,
Students gave an amount
Of sixteen hundred dollars
To help World Vision out.*

*For Pakistani relief,
This money was raised,
All who contributed,
We sing you high praise.*

*Interested in praise?
Want a lot of fans?
Then get signed up,
For Battle of the Bands!*

*On December 15th,
Starting at 3:30,
You could win 100\$,
So you better hurry.*

*Attention all Spartans!
On December 14th,
To swimmers, "Good luck!"
At their swim meet.*

*You can also support
The Drury Hockey Team
On Tuesdays and Thursdays,
They'll surely reign supreme.*

*So have a good week
We hope it's a delight.
Happy holidays to all,
And to all a good night!*

BISHOP REDING HIGH SCHOOL

This past week has been one of excitement in the Bishop Reding sports department. On Monday December the 5th the junior girls' volleyball team hosted a tournament at BR. The girls put in amazing effort and had outstanding team spirit. Congratulation also goes out to Caitlin O'Connor for organizing this tournament which was extremely well run. BR was also lucky enough to play host to numerous senior girls' volleyball teams who came to play at the tournament on Friday, where our very own senior Royals put in superb effort. Leta LaRush is to be thanked for this great tournament. Thank you and good job to all who contributed.

Last week's Snowflake Ball was a great success for all who attended. With good food and great music, it was widely considered the best ball of recent years. Our thanks goes out to everyone involved, including the teacher supervisors, volunteers responsible for set up and clean up, ticket sellers, janitorial staff, our most esteemed caterers, and great DJ's. Most of all, we wish to thank the Bishop Reding student government, who was responsible for organizing the whole event. Thank you for a great evening!

Attention world-travelers! The 2006 trip to Italy and Greece is now less than three months away! Are you getting excited yet? All those who have not handed in their permission forms risk losing their spots, so be sure to hand them in to Ms. Bujold, along with a copy of your passport, as soon as possible. Tickets are being printed soon and all name corrections must be submitted by December 16. Avoid paying a late fee by assuring that you have given Ms. Bujold all the paperwork! Also, all participants are invited to a special movie night. "Pompeii - The Last Day" will be shown on Thursday, Feb. 16th at 3:30 p.m. in the Lecture Hall. Join the excitement as we get ready for the departure on March 7!

As we look forward to the exciting weeks to come, we are called to reflect on how privileged we are. As students, we are thankful to have events like the Snowflake Ball, where lifelong memories are made. Trips like the Italy and Grease trip, along with the other international trips that Bishop Reding plans, are events that shape our perspective on the world. It is times like these where we have the opportunity to learn about the beauty of the real world, and we have the chance to expand our horizons. We are of course thankful for our sports teams, which keep us going through the difficult school work, and teach us what it means to reach our potential. From the inside sources, we hope you are as excited as us to see what this holiday season has to offer!
