Wondering what to buy for dear old dad? Many family members struggle with this task, but this year it is easy.

Think Electronics! MP3's are the most wanted item this holiday season, including the Apple Ipod. The Source at Milton Mall has Ipods in stock, but demand is high, so shop early!

Digital cameras, including the Nikon D50 SLR are also popular. Pick one up at Milton Photo, and

come back after Christmas for quality digital One Hour Processing at only 29cents a picture. Lastly dad, or any family member would enjoy a new cell-phone at WirelessWave. They carry a complete range of phones and phone plans from a wide selection of suppliers including Rogers Wireless, Fido, Bell Mobility and Sympatico.
