✓ Battling for possession

Milton District Mustang Courtney Coulombe (left) steers Holy Trinity's Mo Shea away from the puck during girls hockey action at John Tonelli Sports Centre Wednesday afternoon. MD fell 0-3 and are still looking for their first season win heading into tomorrow's home-ice clash with Acton.

'AA' midgets clip Eagles' wings, again

Rep Hockey

Jeremy Brown scored two goals and assisted on another to lead the AA midgets to a 4-2 decision over the Burlington Eagles Sunday night at Memorial Arena.

The win came on the heels of a rather disappointing loss in Caledon Saturday and was the third straight win over the Eagles — who prior to this season had the Winterhawks' number for a number of years.

Brown tallied twice in the second period — banging in a Ryan Lecky rebound and finishing off a two-on-one break with Scott McTrach respectively. He set up McTrach's insurance marker with 2:18 remaining.

Mike Vipond scored goal number one, with help from Daryl Brinke, to erase an early Burlington lead. Nick Nevins made some key saves down the stretch to preserve the lead and push the Winterhawks to 11-7-3.

Saturday's 4-2 loss to Caledon was especially disappointing since Milton took a 2-0 lead into the final seven minutes of play — at which point a complete collapse opened the door to a huge comeback for the hosts. The game winner was scored while Caledon was shorthanded, making the loss that much tougher to swallow.

Brown and Jeff Lynch did the scoring.

The AA midgets are in Stoney Creek tonight.

AA minor atoms win big

The AA minor atoms climbed back to .500 in convincing fashion Saturday afternoon at Milton Sports Centre.

Fueled by a natural hat-trick from Dillon Carter — who earlier in the day had been officially named as a permanent call-up — the Winterhawks toppled Flamborough 5-1 to improve to 9-9-5.

Drew Jones and Marcus Kotyk also stood out with three assists apiece in a game that their side controlled pretty much from start to finish.

Austin Dezeeuw and Graydon Wessinger rounded out the scoring.

Nicholas Hoffman was steady but largely untested between the pipes.

Unbeaten in their last four outings, the Winterhawks head to Oakville Thursday evening for their final league game before next week's Beaver Tournament.

AE atoms snap skid

The AE atoms put the brakes on a three-game losing streak in Arthur Friday night with a decisive 6-2 triumph.

Ryan Tanason led offensively with two goals and an assist, while contributing a goal and an assist each were Matthew Levins and Victoria Medeiros.

Tanner Briggs and Owen Cutrara also scored to help the Winterhawks improve to 8-11.

Milton continued its road trip last night in Caledon, which served as their final tune-up for next week's Silver Stick Tournament in Tottenham.
