# Holiday Waste Collection

## No Change to Your Collection Day over the Christmas and New Year's Holidays

Halton Waste Management Site will be Closed on Christmas Day, Sunday, December 25, 2005 and New Year's Day, Sunday, January 1, 2006

### Please Note:

Garbage and Blue Box Collection will be picked up on your regular collection day. Collection times may vary due to high volumes of waste material and poor weather conditions, therefore, please place your waste at the curb by 7:00 a.m. on your scheduled collection day.

Please refer to your 2005 Waste Management Calendar for further details or visit our website at [www.region.halton.on.ca](http://www.region.halton.on.ca)

## Winter Tips for Setting Out Your Waste

- Place ALL items at the curb by 7:00 a.m. on your collection day, but not before 5:00 p.m. the evening before.
- In one Blue Box, place loose glass bottles and jars, metal food and beverage containers, aluminum foil, Styrofoam, plastic bottles and polycoat.
- In a second Blue Box flatten and place corrugated cardboard, fine paper, boxboard and newspapers.
- Tie cardboard in bundles no larger than 30"x30"x8" (76cm x 76cm x 20cm).
- To save space, crush pop cans, large plastic bottles and beverage cartons, and fill boxboard boxes with other boxboard items.
- On windy days, place your Blue Boxes out for collection on the morning of collection day by 7:00 a.m., instead of the night before.
- Stack your Blue Boxes on top of one another and place heavier items on top to prevent papers from blowing away.
- Place garbage bags/containers on one side of the driveway and Blue Boxes on the other side of the driveway.
- Keep waste items clear of snow and visible to collect. Do not place items on top of snow banks.
