Is searching for an:

Interactive Media Manager

We are continuing to develop our internet properties and are looking to make significant strides in utilizing the medium as a meaningful information and promotional platform. We are seeking a business leader to champion this initiative for our Halton and Niagara Regions.

Through interaction with our divisional management teams, you'll help establish long-term internet-business goals in keeping with our overall business strategy. You'll partner with our corporate interactive media groups to build e-business models that facilitate revenue growth through meaningful informational and promotional platforms.

To be successful in this role, you'll need to be action oriented and possess strong business development skills with the marketing savvy to identify and implement winning web-business solutions. You'll be a proficient communicator that can effectively present business ideas to management groups. Your in-depth working-knowledge of web-based products, programs, technologies and emerging trends will help you make quality decisions in a deadline driven environment. You should have a working knowledge of Microsoft Word/Excel, Adobe Photoshop, HTML, and Illustrator as well as Web technologies, protocols and tools including; Visual Source Safe, MS Project, Visio, Dreamweaver and Flash.

If you would like to work for a leader in the media industry this opportunity may be right for you. We offer an excellent compensation and benefit package as well as opportunities for future career growth.

If interested please forward your resume, and salary expectations, by January 20, 2005 to:
