Energy Advantage Inc.

CANADA'S leading independent energy and environmental management provider seeks exceptional individuals for its growing Burlington head office.

Energy Analyst - Financial Services

Duties: Your expertise and interest in energy and financial analysis is required! You will work with clients in a time-sensitive way to analyse, reconcile and pay their utility invoices, and prepare accruals and bank reconciliations. You will be required to communicate extensively with both clients and energy utility companies.

Qualifications: You will have a post-secondary education or an accounting designation, and at least 2 years of financial analysis experience, education and/or training including 6 months interfacing directly with clients. You will have exceptional Excel ability as well as general experience/training in Microsoft Office, databases, Internet and other standard computer applications. Experience in the energy industry and French language skills will be considered an asset. Your essential competencies will include customer service and results orientations, the ability to plan, organize and coordinate your work, and effective listening and comprehension. There will be different combinations of relevant experience, education and/or training that would result in an applicant meeting these standards.

Enjoy working in a growing, fast paced environment with great people. Please send your resume, specifying which position you are seeking to:

Job601@energyadvantage.com
Fax 905-319-7980

BD- not your typical place to work.

BD is a medical technology company that manufactures and sells a broad range of medical supplies, devices and systems. The following position is currently available in Oakville:

Receiving & Put-Away Associate

Responsible for accurate receipt & stock put-away of all in-bound finished goods in a computerized/RF environment. May require heavy lifting.

Order Fulfillment Associate

Preparation and fulfilling of customer orders utilizing the WMS/RF system capabilities. May require working in a refrigerated environment and some heavy/moderate lifting.

REQUIREMENTS:

- High school diploma required.
- 2-year warehousing in a batch-controlled, RF-enabled, automated WMS environment.
- Certified narrow-isle forklift operator and/or counter balance lift-truck w/slip-sheet attachment experience required.
- Narrow-isle tow motor/electric walkie experience an asset.
- Strong ability to prioritize, problem solve and multi-task in a fast-paced environment; excellent organization, communication, interpersonal and teamwork skills.

For Complete job description, visit www.bd.com. Resume to Canada_jobs@bd.com or 905-829-2069.

Reference position title in the subject line.

BD thanks all applicants but only those selected for an interview will be contacted. (No phone calls or agencies please).
