KATIE GILLIS

Katie Gillis has been an integral part of our JK class of 23 students since September. She readily assists the students in all activities and is eager to teach how to zip zippers use scissors! Katie is empathic to their feelings and engages in their world of play. Not only does Katie have a natural affinity for young children but as a classroom assistant she is invaluable. She is dependable, and a responsible young lady who assumes leadership.

Thank You for your hard work and dedication. Good luck in all your future career choices.

From The HCRC Staff

17 Wilson Dr., Unit 12 905-876-1515

The Co-operative Education program has been a successful learning experience for the students at Bishop P.F. Reding Secondary School. We strongly believe that when education and industry work together the result can only create a "WIN WIN" situation.

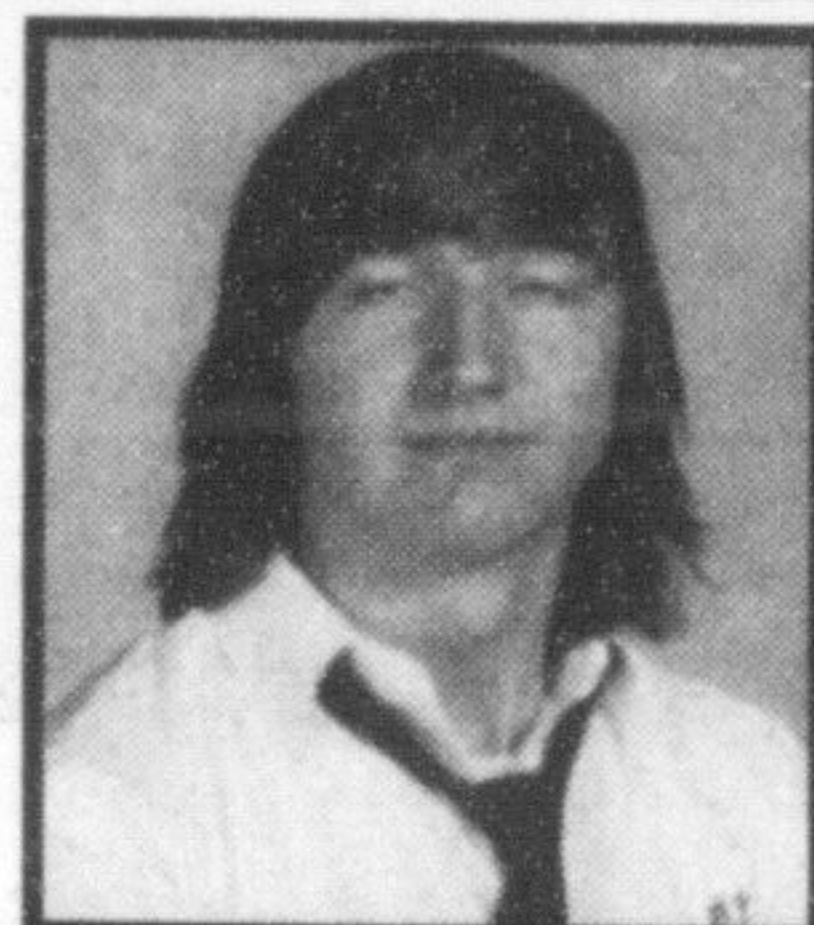

The student's experience at the workplace is the main focus of the program component. By analyzing and reflecting on this experience, the student learns how to integrate and give meaning to his or her own life. We hope to foster positive attitudes towards school and work, a willingness to learn and take responsibility, and interpersonal skills.

We would like to take this opportunity to express our sincere thanks for the time invested in the training and development of Bishop Reding's co-op students. Without the assistance of the following employers, the opportunity to gain practical experience in a work place environment would not be a reality within our education system:

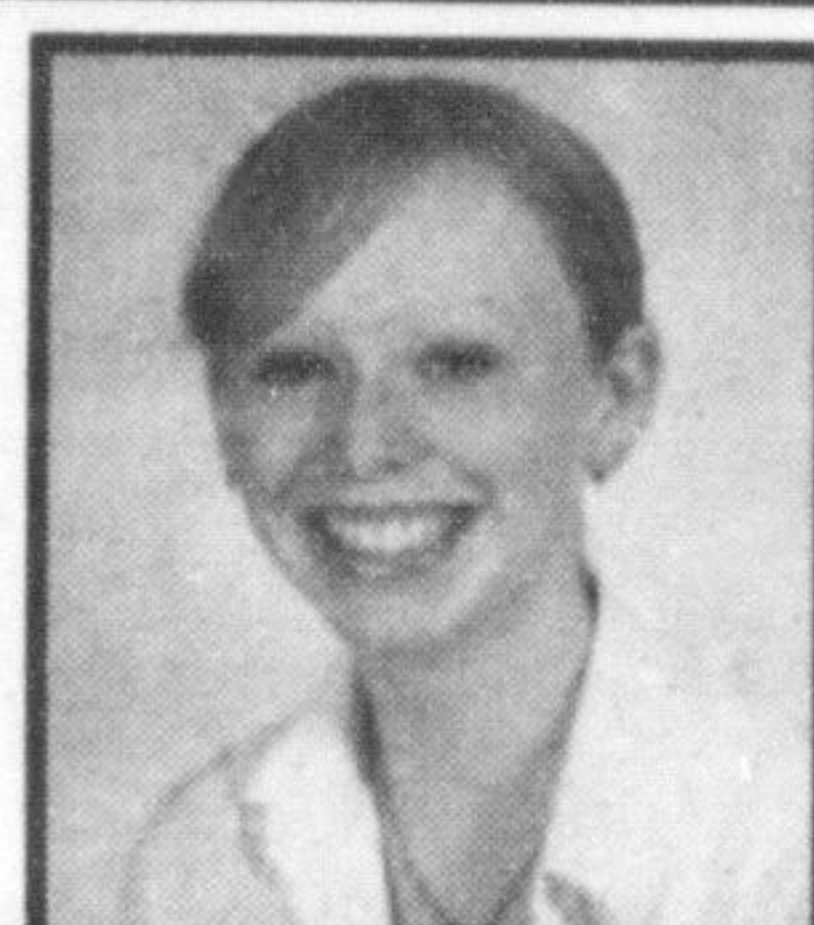

- Glen Eden Conservation Area
- Halton Community Rehabilitation Center
- Mckersie-Kocher Funeral Home
- Furlong Collins Fitzpatrick
- Crawford Lake Conservation Area
- St. Peter Elementary School
- Halton Regional Police Department
- Milton Court House
- Holy Rosary Elementary School
- Milton District Hospital
- Guardian Angel Elementary School
- Chris Hadfield Public School
- The Canadian Champion
- Gerrie Electric Wholesale Limited
- Scotia Bank
- Leafs T.V.

Mrs. C. Amlinger

She prepared us for the journey ahead in the work world. From resume writing to appearances to communication. Details count, as she would like to say.

Here's a special *Thank You* to Bishop Reding's very own co-op teacher, Mrs. Amlinger. She is a dedicated and fun teacher who gave the students the opportunity and chance to experience the co-op education. We really appreciate your help and dedication.

Thank You
