

Your Invitation To Worship

Living Life to the Max!

Successful people know what it means to give 100% towards accomplishment. Some have even been labeled as having given more than 100%! But how does anyone give MORE than 100%? How does a person live life to the max - at 105%?

I did not know how to answer, until I was shown this simple mathematical formula:

If each letter in the alphabet could be assigned a numerical value, with A=1, B=2, C=3, D=4, E=4 and so on, then:

H - A - R - D - W - O - R - K =

8+1+18+4+23+15+18+11 = 98%

and,

K - N - O - W - L - E - D - G - E =

11+14+15+23+12+5+4+7+5 = 96%

will get you close to 100%

but,

A - T - T - I - T - U - D - E =

1+20+20+9+20+21+4+5 = 100%

Therefore, one can conclude with mathematical certainty that while hard work (98%) and knowledge (96%) will get you close to the magical threshold - it's your attitude that will really get you there (100%)!

However, to go beyond your limits and to take it to that 105% number referred to earlier, the answer is

G - O - D - S W - O - R - D =

7 + 15 + 4 + 19 + 23 + 15 + 18 + 4 = 105%

The Divine Wisdom of the Ages will definitely put you over the top!

To learn more about the Bible and how it can help you live life to the max, visit a local church this week. Service times and locations have been published in the Religious Directory below to help you.

Submitted by Rev. Dan Rogge, Pastor of Milton's New Life Church.
