Meeting will address school accommodations

Public school board invites residents to review long-term accommodation plan

A plan dealing with the accommodation needs of students in local schools will be the topic of the night at an open house Tuesday evening.

The session, hosted by the Halton District School Board, will be held at Hawthorne Village Public School from 7 to 9 p.m.

Those in attendance will be able to review the board's proposed capital plan, which is a long-term strategy that addresses accommodation requirements of pupils in its elementary and secondary schools.

After the meeting, the public will have the opportunity to give written comments,

which will continue to be received until March 9.

Once comments have been reviewed by board staff, an interim report will be prepared and presented to trustees.

A second public meeting will then be held to present the report and any modifications to the proposed capital plan.

Locally, this session will be held April 18 at Hawthorne Village Public School from 7 to 9 p.m.

Following this, the community will once again be able to submit written comments, which will be accepted until May 18.

A final report will be presented to the board in June.

Updates regarding the meeting schedules will be available at www.hdsb.ca.

Those with questions regarding the process can call the Halton District School Board's planning department at (905) 335-3663 or (905) 842-3014.

Brookville Park expansion open house this Tuesday

Local residents will have the opportunity to give their two cents' worth about the expansion of Brookville Park at a Town open house Tuesday.

The event will be held at the Nassagaweya Community Centre, 11264 Guelph Line, with a drop-in format from 6:30 to 8:30 p.m. and a question-and-answer session at 7 p.m.

Once public input has been gathered, the

Town will proceed with concept design options to present for the community's consideration.

A map showing the exact location of the expansion and comment sheets for those unable to attend the meeting are available at www.milton.ca.

For more information, contact Lisa Vandervliet at (905) 878-7252, ext. 2186, or e-mail lisa.vandervliet@milton.ca.

FEBRUARY IS HEART MONTH

How to Spot a Heart & Stroke Heart Month Campaign Volunteer

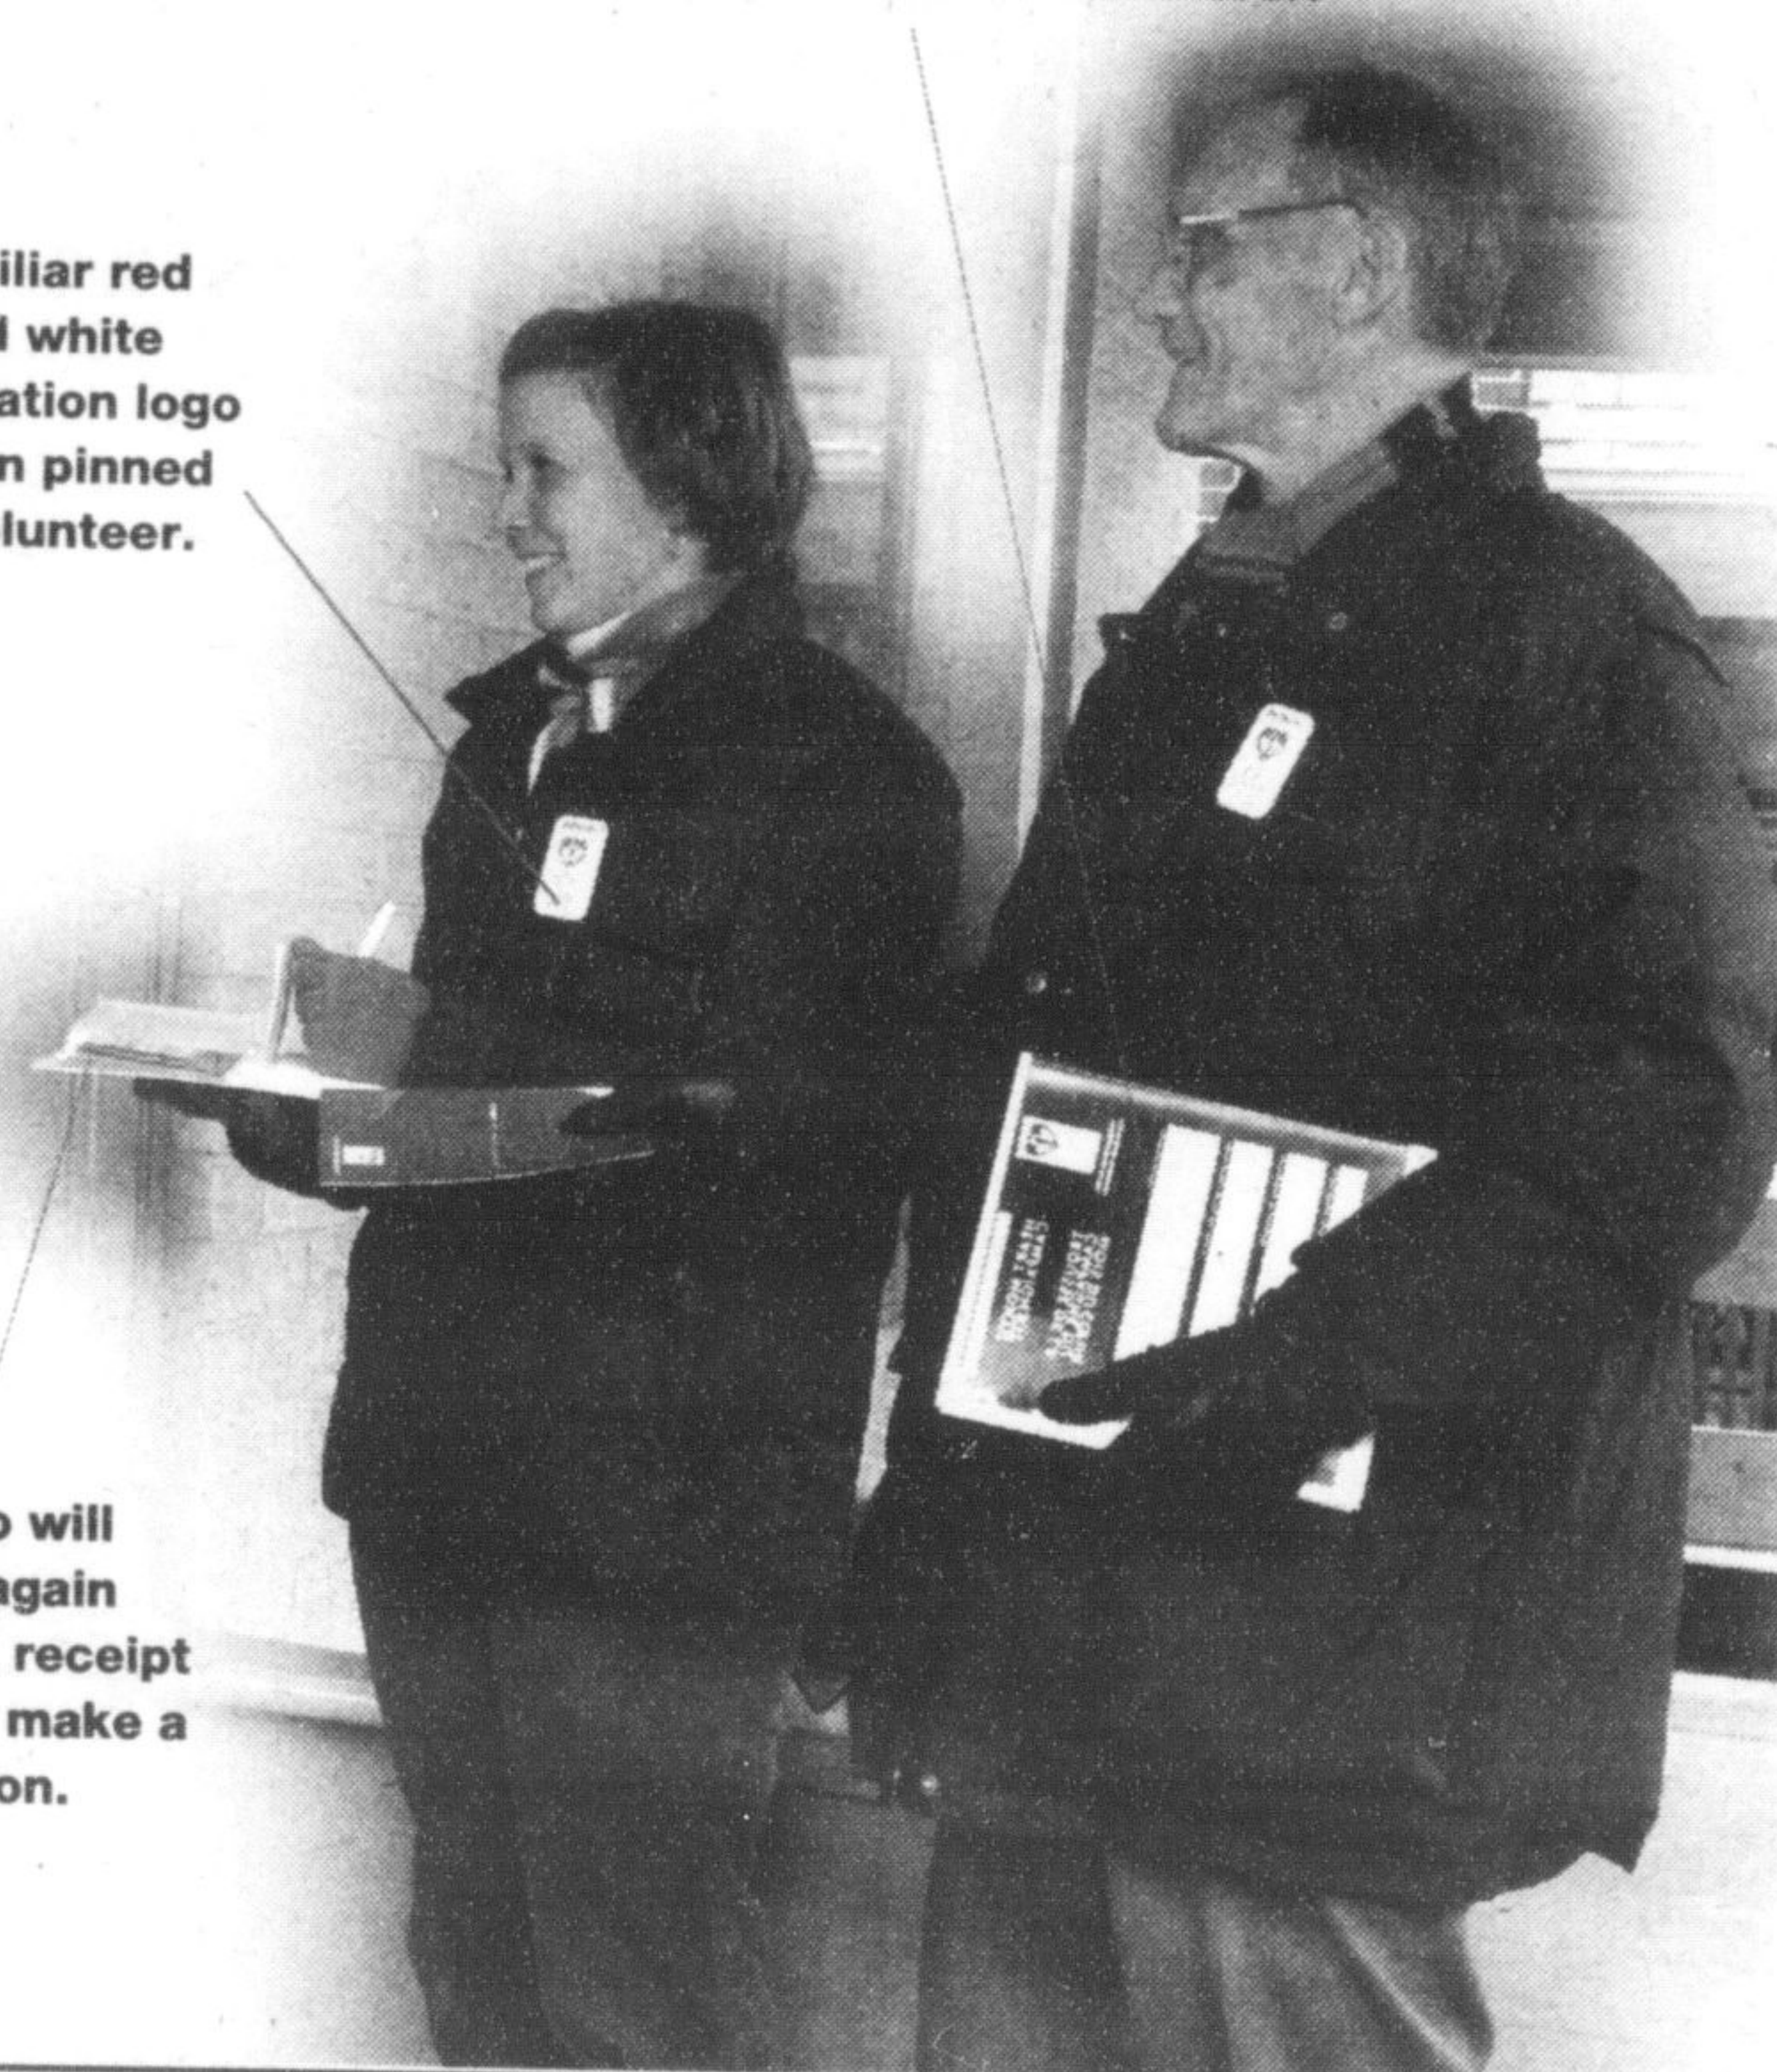

This year, Heart and Stroke Foundation volunteers will be out in your communities, making a remarkable difference by collecting donations for February's Annual Heart Month Campaign. The Heart and Stroke Foundation has taken steps to ensure easy recognition of their Heart Month Campaign volunteers during February, Heart Month. Last year, these volunteers raised over \$3 million in donations. The goal this year is to match that total.

If you miss the visit by a Heart and Stroke Foundation Campaign volunteer, you'll find a donation envelope with information on the Foundation and its mission, again all with the familiar Foundation logo.

You may also make a donation by logging onto www.heartandstroke.ca and completing the Foundation's secure online donation form. For further information, please contact your local Heart and Stroke Foundation office.

The logo is also prominently displayed on the canvasser kit and on materials distributed by the Foundation volunteer.

Familiar red and white Foundation logo button pinned to volunteer.

The logo will appear again on your tax receipt should you make a donation.
