

## Investment seminar held as fundraiser

He climbed Mount Kilimanjaro, Africa's highest peak and the world's tallest volcano, to raise money for a children's hospital in B.C.

Now, former Miltonian David Gilman is inviting Miltonians to participate in a fundraiser he's holding to raise money for the SickKids Foundation of Toronto's Hospital for Sick Children.

On Tuesday, Mr. Gilman — a certified financial planner with Investors Group Financial Services in Vancouver — will deliver a talk on investment and tax strategies, plus share insight into his recent climb at the Grand Chalet Restaurant, 324 Steeles Ave.

The event will start at 7 p.m. and is free, but donations to the SickKids Foundation

and to the British Columbia Children's Hospital Foundation will be collected.

Mr. Gilman conquered the summit of Mount Kilimanjaro — one of the great seven peaks of the world — in Tanzania, Africa on October 4 with two colleagues, a team of 19 climbers and the Summits of Hope group affiliated with the B.C. children's hospital.

The climb up and down the mountain took eight days and more than \$160,000 was raised through the feat for the British Columbia Children's Hospital Foundation.

To register for the investment talk, call 1-800-561-0659, ext. 352. For more information on Mr. Gilman's climb, visit [www.summitsofhope.com](http://www.summitsofhope.com).

## Town conducting survey on recreational skating

Have a few thoughts on what the Town should do to change its recreational skating programs?

Those who do can take part in a survey the Town's conducting from now until next Friday, which comes in response to requests from the community for changes to recreational skating opportunities.

Survey forms are available at [www.milton.ca](http://www.milton.ca), as well as at the Milton Sports Centre, Milton Leisure Centre, Milton Seniors' Activity Centre, Milton Memorial Arena, John Tonelli Sports Centre, Town Hall Victoria Park and Town Hall Annex

555, located at 555 Industrial Dr.

The results of the survey will provide input into the types of programming being offered for various age groups, determine optimum times and days for scheduling skating opportunities and identify other potential changes to the current programs being offered.

Changes to the recreational skating program identified through this survey will be based on ice availability at Town arenas.

For more information, contact Janet Davidson at (905) 878-7252, ext. 2755, or [janet.davidson@milton.ca](mailto:janet.davidson@milton.ca).
