As one of Canada's fastest growing urban centres, and an award-winning, leading municipality, the City of Brampton provides a fast-paced, innovative, team-oriented environment. We are committed to excellence in the delivery of essential services, cost effectiveness and creativity.

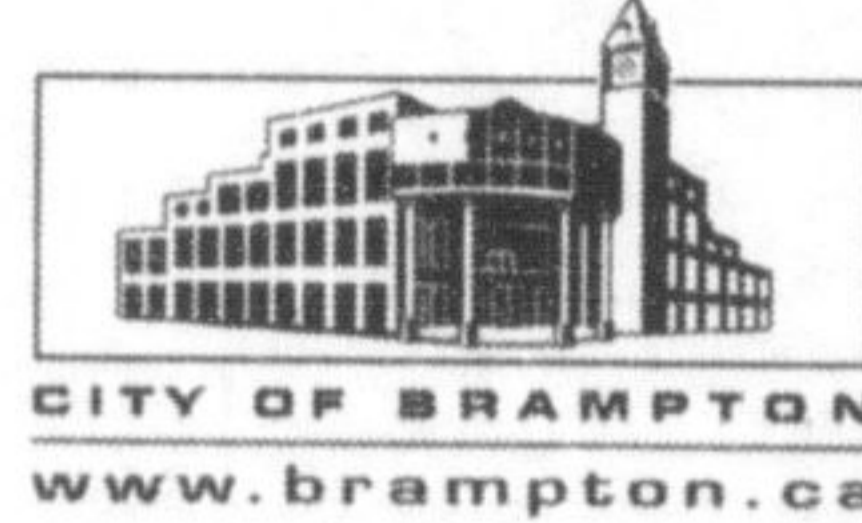

## Plant Health Care Specialist

Parks Maintenance & Operations

With your knowledge of common plant diseases, pests and agricultural chemicals, and 1 to 2 years of experience in an urban forestry environment, you're ready to administer the contracted weed spray program, and control insects, diseases, weeds and rodents in parks and on turf, trees and shrubs. This challenging role reports to the Horticultural Foreperson and includes assessing staffing requirements, overseeing work performed, training staff in the safe, effective use of pesticides, inspecting sites, and recommending, selecting and implementing application and control methods and equipment. You have completed a post-secondary program of two to three years in Arborist or Forestry Studies, and bring a Landscape Licence for Pesticides from the Ministry of the Environment, and E.U.S.A. Certification to work as a grounds person during forestry operations. A valid Class D driver's licence with Z endorsement is essential, as is the ability to operate an aerial truck, and wear required personal and protective equipment.

Please submit your resume, by **February 17, 2006**, quoting File No. 0320-BG, to: **City of Brampton, Human Resources Career Centre, 150 Central Park Drive, Suite 10, Brampton, ON L6T 2T9. Fax: 905-458-6345. E-mail: careercentre@brampton.ca**

We thank all applicants; however, only those selected for an interview will be contacted.
