Sara Kilmury

MILTON DISTRICT HIGH SCHOOL

Exams are finally over and students at Milton District are getting ready for a whole new semester filled with new subjects, people, teachers, and (groan) assignments. Not to worry, with the upcoming events planned for second semester, June will be here before you know it!

For all of you sports fans out there get ready for two exciting nights of professional sports. On March 8th the Student Athletic Association (S.A.A) are taking students who are interested in basketball or just want to have a night out with friends to the Air Canada Center to watch the Toronto Raptors take on the Cleveland Cavaliers. Grab some friends and get your permission form into Mrs. Kahn, or Mr. Hamilton, or any S.A.A executives to reserve a spot on the bus as space is limited!

Basketball not your thing? Well then not to worry the S.A.A has also planned a trip to the Sky Dome to watch the Blue Jays Home Opener! In April students will be able to help kick off the Jay's season, one we hope to be the best yet! See Mrs. Kahn or Mr. Hamilton, for permission forms.

Roses are red, violets are blue, I just love Valentines Day don't you?

For those students in gr's. 11 and 12 get dressed in your best and come on out to MD's annual semi-formal. This year we have moved the date up to Feb 17th and the theme will be "Sweetheart" in honour of Valentine's Day! Girls, get shopping for that, perfect dress and boys even though you aren't overly thrilled about wearing a tie, just do us a favour and grin and bear it!

Seniors: As you're heading into second semesters full with new textbooks and new challenges don't forget that even though you only have one semester left of high school (scary thought!) don't slack. Work harder than you ever have before so that when those acceptance letters come rolling in you have something to celebrate with along with your friends.

Well that's it for this week but in the meantime take it easy mustangs!

BISHOP REDING HIGH SCHOOL

Congratulations, BR! Semester one exams are officially over and everyone can stop cramming and resume their normal sleeping schedules. There is much to look forward to in the second semester: a fresh schedule, different teachers, new sports teams to try out for, the senior trip to Greece & Italy, and graduation for the grade twelves! Semester two is another hurdle to cross as the grade nines finally feel comfortable in the high school environment and the other grades look forward to finishing off another year.

Coming up this semester in the world of sports is the spring and summer season. This means you have the opportunity to try out for such amazing sports as, badminton, tennis, golf, softball, baseball and soccer. These Inside Sources are sure that BR is full of many talented athletes so why not come out and show your school what you've got? Listen to the announcements for try-out dates.

Another thing to look forward to in this new and exciting semester is the long awaited Italy and Greece trip. Grade 11 and 12 students have the privilege to travel to the gorgeous countries of Italy and Greece over the March break. They have been saving up for over a year now and the time is almost here-bon voyage!

As you begin your new semester it is also a great time for new resolutions, for example the ever popular "this semester I promise I'm going to work hard, do all my homework and get great marks". Well whatever your resolution is your Inside Sources wish you good luck in the new semester and all the fun activities that come with it.

PREPARE FOR THE ROAD AHEAD.

Next courses:

2 WEEKENDS
Saturday & Sunday
9:30 am - 4:15 pm
Feb. 11/12 & 18/19

4 DAYS

or March 13, 14, 15 & 16
9:30 am-4:15 pm
