

HIGH SCHOOL REPORT

"MUSTANG MESSENGER"

Meghan Sinclair Megan Cheema Sara Kilmury

MILTON DISTRICT HIGH SCHOOL

Roses are red, violets are blue. Valentines Day is here and so is semester two! That's right, semester two is already in full swing and students are getting back into their hardworking habits with a whole new set of classes, teachers and of course, assignments. However, everyone knows that all work and no play makes for a whole lot of dull students!

This week may be filled with plenty of hard work, especially for the grade 11 and 12 students but the end of this week holds a special treat for MD's more senior students: Semi-formal! This year's long awaited semi-formal dinner and dance will be just in time to carry on the Valentines Day spirit, especially with the "Sweet heart" theme that's been chosen. With this special day just around the corner, all you senior guys and girls better start thinking of getting those dresses and dress shirts out of the back of your closets to get them ready for the big night.

Dances not your thing? Not to worry, there are still a whole ton of other activities going on over at MD. The recent exam break didn't do a thing to slow down our sports teams. They're all hard at work on the courts, the rink and in the pool training and practising for any upcoming games and tournaments. In fact, just last Thursday, our senior girls' volleyball team travelled to Oakville-Trafalgar High School to compete in the tournament that was hosted there. Our girls played hard, surrounded by volleyball-loving spectators. Are you someone who enjoys sports more from the sidelines as well? Well the S.A.A has something for you too! MD's Student Athletic Association has put together a spectacular trip to go see the Toronto Raptors take on the Cleveland Cavaliers at the Air Canada Centre early in March. This promises to be a fabulous game and tickets are going fast. This is something any basketball fan wouldn't want to miss so be sure to get your form and money in to Ms. Khan or Mr. Hamilton before you miss out!

Semester two is already a week in and February already almost half-finished. March is already almost in sight for many students and with March comes, of course, March Break! So start counting the days (if you haven't already) and keep working hard!

"DATELINE DRURY"

Nathan Laanstra Michelle Dubois Matt Lalonde

E.C. DRURY HIGH SCHOOL

Michelle - "Hey, Nathan. Guess what?"
 Nathan - "What?"
 Michelle - "It was my birthday last week."
 Nathan - "Happy Birthday! I hope you had a good time."

Michelle - "I really did."
 Nathan - "Are you getting back into the swing of things for semester two?"
 Michelle - "Of course. I always love starting new classes."

Nathan - "And now that exams are over, we can breathe a little easier."

[enter Matt]
 Matt - "Hey, guys. Did you get your report cards?"
 Nathan - "Yeah, the whole school is in a frenzy. Everyone is discussing their marks."

Michelle - "Everyone's also talking about the pep rally on February 8th. The jazz band performed for the school and the tech students showed a six minute clip about life at Drury."

Matt - "The Student Government team won best dance for their rousing routine, and everyone had a great time."

Nathan - "Well, the students danced their way on stage at the Drury award ceremony on February 9th."

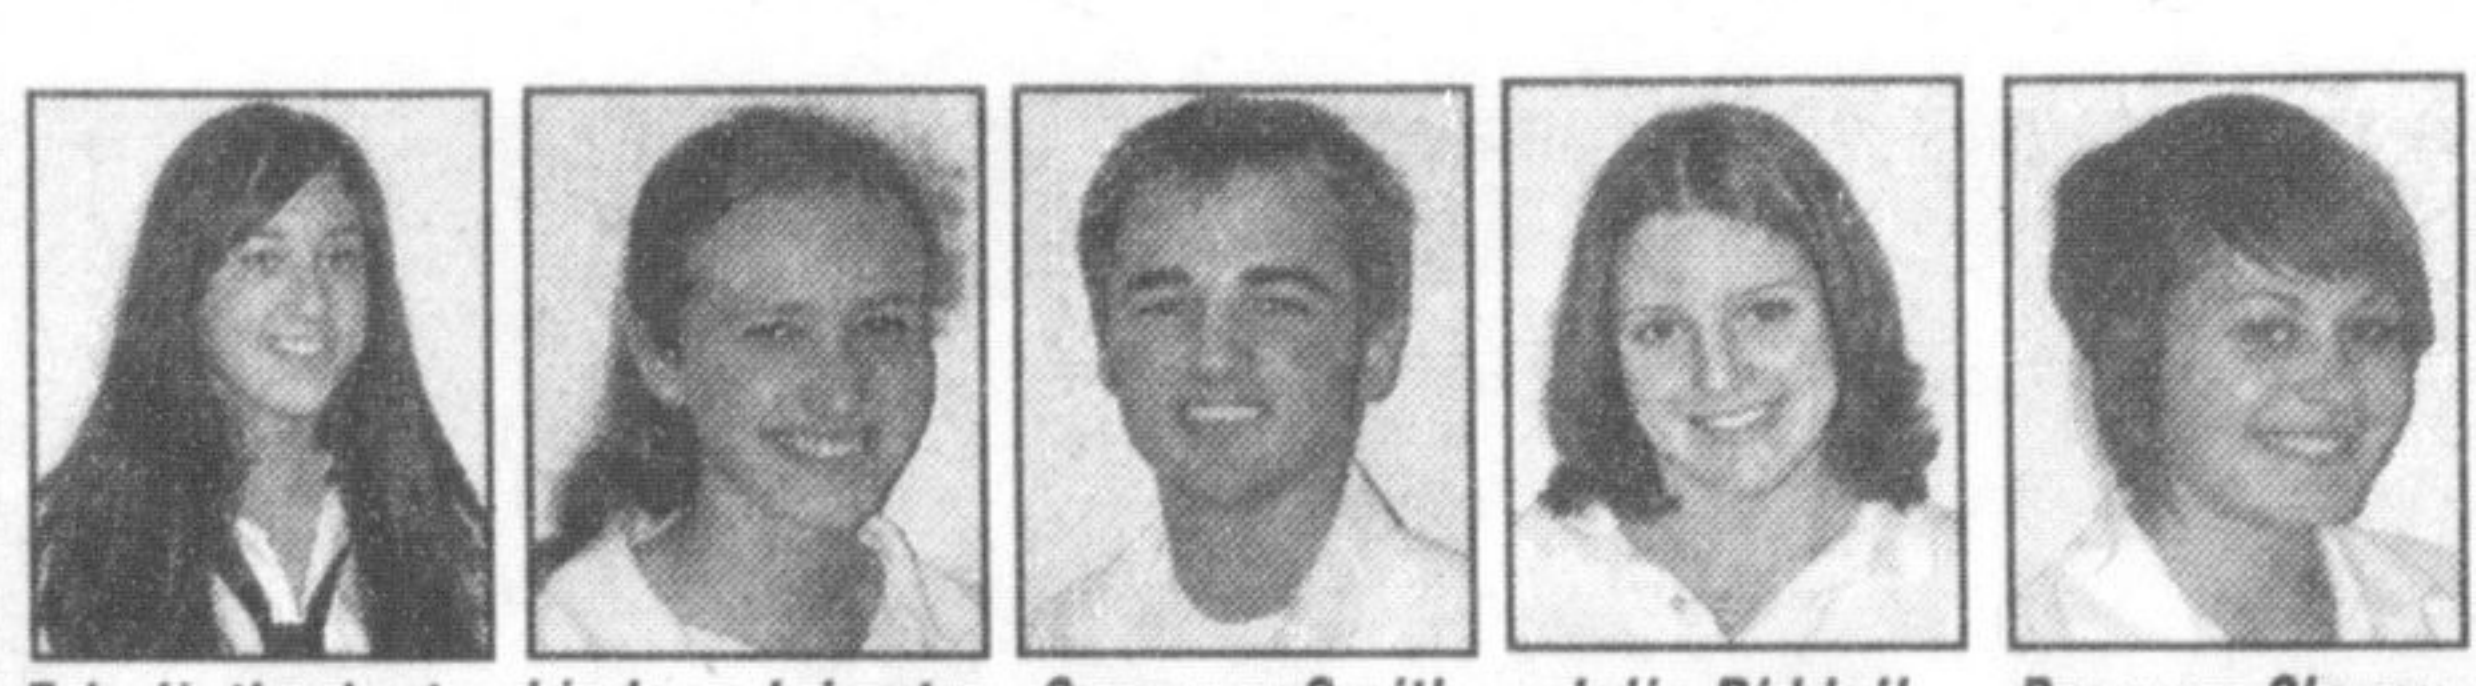

Michelle - "Yeah. A lot of students were recognized for their academic achievements and activities. Drury really has a lot to celebrate."

Matt - "Well, I think I'm definitely going to be celebrating later today as well. I got some great marks last semester. Maybe the Senior School Reach Team will also be celebrating Friday's tournament at Oakville Trafalgar."

Michelle - "Anyway, we can always celebrate the start of a successful second semester."

Nathan - "You bet! I'll see you guys tomorrow."

"THE ROYAL REPORT"

Erin Hetherington Lindsay Johnston Cameron Smith Julia Riddell Breanna Clancy

BISHOP REDING HIGH SCHOOL

Happy Valentine's from your Inside Sources! The second semester is in full swing in true Bishop Reding style. School spirit permeates the halls. Our enthusiastic students and staff have an exciting lineup of events for the school community to enjoy. Valentine's Day brought about a host of enjoyable student activities courtesy of Student Government, who is also hosting a love-themed dance this Thursday. In other news, one of our very own Inside Sources, Breanna Clancy, has organized a very special event coming up in the next few weeks. Read on to find out more...

Love is in the air at Bishop Reding. Today the student council did everything they could to ensure that. Roses that could be sent to that special someone were sold on third and fourth lunches last week for only two dollars! Also, on both lunches, there were couples' challenges that were not only fun but incredibly entertaining. Those single students weren't left out though! Matchmaker forms can be picked up this week for a dollar, so pick it up and see with whom in our school you'd be most compatible. Who knows, it may even result in a date! Well, whether you spent the day with your boyfriend, girlfriend or just best friend your Inside Sources hope you had a fantastic time.

To ensure this mood of love doesn't end on the 14th, the student government has organized a dance on February 16th. It is the first annual Red Hot Dance Party, and runs from 8-10pm. It's only five dollars, and we're all hoping a better turn out than we had last year at the Spring Fling Dance. To all BR students: we all complain about the lack of dances, but when one comes along no one goes! Let's make this dance the best in BR history so there will be many more dances to come. Plus, with the mood of Valentine's Day still lingering in the air, you never know what may happen.

On February 24, a charity show is being held at Thomson Arena in Milton. Our very own Breanna Clancy will be walking in the Weekend to End Breast Cancer in September 2006, and this charity show is a part of the fundraising for the event. All proceeds from the show will go towards the Princess Margaret Hospital's research teams who are working hard to find a cure to breast cancer. Bands playing include: Heart Sold Separately, The Rhythm Materials, Dance Electric, The Smear Campaign, Ill Scarlett and White Pandas of Fury. Doors open at 6:00, and it costs \$10 to get in. Donations are welcome! For more information contact Breanna at breanna.c@hotmail.com, or Pear Tree Productions at peartreeproductions@gmail.com. Hope to see you all there!

Your Inside Sources hope that everyone enjoyed this, the annual day of love. Take the time to appreciate those around you, not only in your personal relationships, but those who make each and every day interesting in our lives. Special thanks to our Student Government, who put so much time and effort into making our experiences even better. We hope to see you all showing some spirit at the forthcoming dance, and some compassion during the Weekend to End Breast Cancer. From us, the students of Bishop Reding have a great week!

We're unlocking the secrets of heart disease one door at a time.

February is Heart Month.

Please give.

Finding answers. For life.
