Practice makes perfect

Firefighter Chris Burke (at right) uses ice awls and kicks to crawl his way out of the chilly waters of Kelso Reservoir during ice water rescue training Saturday. Below, firefighters wearing ice survivor suits get used to the frigid waters as they practice ice rescue techniques. The day-long training session involved both classroom and hands-on training scenarios.

Fidelity ClearPath™: When do you want to retire?

It's never too early to start thinking about retirement. The sooner you think about it, the sooner you can forget it. With Fidelity ClearPath™ Retirement Portfolios, you and your advisor simply pick a retirement date to get a complete retirement income plan. After that, your asset mix automatically adjusts to become more conservative as you approach retirement and thereafter. And you can have peace of mind, knowing that your plan keeps working for you, helping you build retirement income.
