direct your energy

Direct your career along a new path.

Experience the excitement and opportunity of a fast-paced, rapidly expanding organization while enjoying the stability, strength and resources of a global company.

This is your time to focus on opportunities for career progression and personal development. We're looking for individuals who are driven to succeed and willing to advance their careers within a dynamic, challenging and innovative organization. Direct Energy is the leading North American supplier of energy and related services, as well as comprehensive energy solutions for businesses.

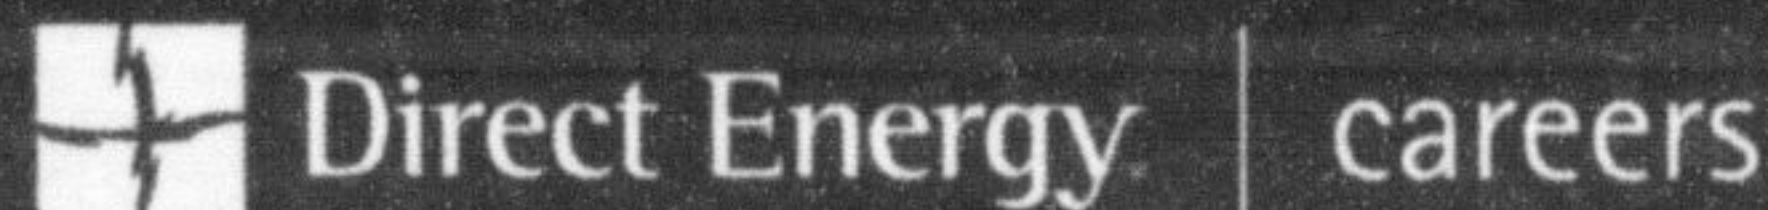

RESIDENTIAL HEATING & AIR CONDITIONING SALES REP

Reporting to the District Sales Manager, Home Services Operations, this dynamic, customer relationship building role will require you to sell heating and air conditioning products and services to both potential and existing customers. You will be responsible for the promotion, sales, and the delivery of our products and services to residential customers, as well as maintaining long-term relationships by providing superior customer service. You will also effectively manage and resolve customer issues and complaints.

Qualifications:

- Business degree or equivalent work experience
- 3-5 years' in-home sales experience
- HRAI Certification for HVAC programs and designs preferred
- Proven ability to meet or exceed sales goals
- Exceptional communications, interpersonal and customer service skills
- Computer literate
- Ability to work from home
- Industry sales knowledge is an asset
