Police want to find vandals

Halton Regional Police are hoping the public can help identify the vandals responsible for causing property damage recently in Milton.

Between February 1 and 4, unknown suspects used rocks to smash the window of a home on Malick Street. Three cars in the same area were also targeted, with rocks used to break windows and dent panels. The overall

damage is estimated at \$2,000.

This follows a similar incident last month in which five vehicles were vandalized in the same manner.

If you have any information that leads to an arrest in this or any other matter, you may be eligible for a cash reward. Call 1-800-222-8477 or check our Crime Stoppers' Web site at www.halton-crimestoppers.com.

Holdings and a numbered company — at the meeting.

He noted that the homes are one way to create a noise barrier without building a massive berm.

Chung added that if it's found the town houses won't solve the "noise problem," then they won't be included in the plans.

He told the residents that their suggestions will be taken back to the team working on the proposal for further discussion and analysis.

The development will soon be the subject of another joint board hearing of the Ontario Municipal Board and Environmental Review Tribunal, which will have the final say on whether it can proceed.

It's scheduled to start July 4 at 10 a.m. in Milton Council Chambers.

The proposal has been before the joint board several times since 1999.
