St. Paul's United Church choir going on the road

St. Paul's 40-voice United Church choir is taking its show on the road.

On March 5, the group will perform at Trinity United Church in Acton as part of a combined evensong service and concert.

The choir will provide instrumental numbers, anthems, congregational hymn singing, gospel music and the evening hymns of the church. It will be directed by Judy Hunter, with accompanist Dawn Brodie, flautist Nicolette Parant and soloist Ron Break.

The program has been co-ordinated by Trinity organist and choir director Dr. George Elliott in fulfilling a bequest

to the music program of the Acton congregation.

All are invited and welcome. A free will offering will be accepted. Trinity United Church is located at 70 Mill St. E. in Acton.

Young musicians staging concert February 25

If an evening featuring the sweet strains of a violin quartet strikes your fancy, there's an upcoming concert put together with you in mind.

On February 25 from 7 to 9 p.m. at Milton Bible Church, 709 Middleton Cres., the String Bean Quartet — featuring four violinists ranging in age from 11 to 15 — will perform.

Each is a violin student of Cheryl Hodgson.

Also performing will be a jazz trio called the Freebies, and refreshments will be served.

Tickets cost \$5 and will be available at the door.

WE THE PEOPLE....

Do solemnly swear that we oppose the Keswick Sutherland School proposal to locate in our country neighbourhood. There are over 100 of us. We are concerned that the added traffic (est. 300 cars per day, and in a concentrated period of time) will compromise our ability to safely use our hilly country road. Check out the nature of our road in this photo. This photo is 650 feet from the driveway of the proposed private school.

Just think. For the thrill of a few extra property tax dollars, our town gets the privilege of spending hundreds of thousands of dollars to upgrade this road to safe standards. What a deal for the people of Halton Hills!

If you live in the country (anywhere)...if you enjoy wildlife...if you walk the Bruce Trail or use the Scotsdale Farm for family recreation, then **THIS IS YOUR ISSUE**, even if this is not in your neighbourhood. It is a matter of principle.

We respectfully request that our Regional Council support the views of 100 local people, who believe that the right to enjoy our countryside and drive on a safe road outweighs the right of a **FOR PROFIT BUSINESS** to make money at our expense.

Make your feelings known to your Regional Councillors www.halton.ca (go to council, then councillor contact to send your representative an email on this issue).
