## The Regional Municipality of Halton

### NOTICE OF PUBLIC INFORMATION CENTRE #2

#### Derry Road (Reg. Rd. 7) Transportation Corridor Tremaine Road (Reg. Rd. 22) to First Line/Bronte Street, Town of Milton Class Environmental Assessment Study

The Regional Municipality of Halton is carrying out a Class Environmental Assessment to consider a wide range of options for transportation corridor improvements to satisfy future travel demands on Derry Road (Regional Road 7) from Tremaine Road (Regional Road 22) to First Line/Bronte Street, in the Town of Milton (see map below). The need to satisfy east-west capacity requirements in this transportation corridor has been identified in previous studies including the Region of Halton Transportation Master Plan (2004). This study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (June 2000), which is approved under the Ontario Environmental Assessment Act.

The first Public Information Centre was held on May 4, 2005. Thereafter, the preferred alternative was determined taking into consideration the problem being addressed, alternative solutions, environmental effects, and comments that were received from the Town of Milton, regulatory agencies and the public. The preferred alternative includes the widening of Derry Road to four lanes with a raised centre median and a future grade separation.

A second Public Information Centre has been arranged to review the preferred alternative and receive public comments. Following the information centre, the preferred alternative will be reviewed taking into consideration the comments received, and confirmed or modified.

**Date:** Wednesday, March 1, 2006  
**Time:** 6:30 p.m. - 7:00 p.m. Drop-in centre  
7:00 p.m. Presentation followed by  
question and answer session  
**Place:** Milton Sports Centre, Room #3  
605 Santa Maria Boulevard, Milton

Anyone with an interest in the study is invited to attend and to participate. If you cannot attend and would like to provide comments, please forward your comments to Halton Region at the address below by Friday, March 17, 2006.

The map below shows the approximate limits of the study area.

## What do you think we should do with Halton waste?

### Halton Region's Proposed 2006-2010 Solid Waste Management Strategy

Halton Region, in co-operation with the citizen advisory Joint Municipal/Regional Waste Management Committee has developed a revised Solid Waste Management Strategy for 2006-2010. It updates the 1999 Strategy to help extend the life of our landfill and provides choices for meeting or exceeding the Government of Ontario's waste diversion goal of 60 per cent. The Strategy identifies the proposed waste diversion initiatives for the next five years, as well as choices for managing our waste beyond 2010.

A series of drop-in open houses will be held across Halton from 5:00 to 8:00 p.m. on the following dates:

Burlington City Hall (426 Brant Street)	COMPLETED	Monday, February 13
Oakville Town Hall (1225 Trafalgar Road)	COMPLETED	Thursday, February 16
Hugh Foster Hall (Beside Milton Town Hall)		Tuesday, February 21
Halton Hills Civic Centre (1 Halton Hills Drive, Georgetown)		Thursday, February 23

For more information on the draft 2006-2010 Solid Waste Management Strategy visit the website at [www.halton.ca/ppw/waste](http://www.halton.ca/ppw/waste) or call Halton Region.

### Halton Region - Providing Opportunities for Halton Schools/Students to Earn Money through the Halton Environmental Awards Program

Last year, through the Halton Environmental Awards program, four secondary school students each won \$500 scholarships to go toward their post secondary education and five elementary schools each won \$500 to go toward school programs. The awards are being offered again this year and the deadline for application submissions is March 3rd, 2006.

Submissions for either award category, The Halton Youth Awards for Environmental Excellence and The Halton Environmental Scholarship Awards, require essays of 500-800 words and supporting testimonials. Complete details are available at [www.halton.ca](http://www.halton.ca).
