

Car thieves target Milton's core

Milton was a popular target for car thieves late last week.

In what's believed to be a related string of incidents, police report two vehicles were stolen while three others were attempted to be stolen and another taken from London was recovered here.

"We're certainly considering the possibility that some, if not all, of the occurrences are related," said Det. Sgt. Peter Hodgson.

Four of the six incidents occurred in the Millside Drive area, where a 1995 Plymouth Voyager — valued at \$2,000 — was removed from an underground parking lot overnight Saturday.

suspects made unsuccessful attempts to steal a 2002 Ford pick-up and a 2003 Dodge Dakota from Millside Drive parking lots — as well as a 1999 Chevy pick-up truck from a Bronte Street residence.

Minor damage was caused to all three vehicles.

Meanwhile, a 2000 Honda Civic — with a value of \$9,500 — was removed from an Eager Road home.

Stolen recently from London, a 1994 Dodge Caravan was found on Millside Drive Sunday morning.

Impaired charges

A 38-year-old Brampton man faces several charges in connection with a single-vehicle crash on Derry Road near Hwy. 407 Monday morning.

Police responded to the accident involving a 1989 Honda, which had struck a pole at about 1 a.m.

An investigation resulted in the driver being charged with impaired driving, having over the legal limit of alcohol in his blood, driving while disqualified, driving without a licence and obstructing police.

He was held for a bail hearing yesterday.

Inquest into inmate's death this month

An inquest into the death of a Maplehurst inmate will begin later this month.

Charged with second-degree murder in the slaying of Acton resident Hanzel Honeywell, Rene Paulin, 44, died June 29, 2005 while in custody

awaiting trial.

He was found in his cell without vital signs in the afternoon and within the hour was pronounced dead.

Halton Regional Police refused to comment on the cause of death, but said foul play wasn't suspected.

Under the Coroner's Act, an inquest must be held in the death of any person who dies while in custody.

Presided over by Dr. John Ewen and set to begin March 27, the inquest is expected to last three or four days and will hear from about 15 witnesses.
