

# Quick-change artists on the loose

Halton Regional Police are looking for the public's assistance to help identify a couple of quick-change artists.

Between February 28 and March 2, three businesses in north Halton were victimized by two fast talking men. The first occurred at a gas station on Regional Road 25.

One of them gave the clerk a \$50 bill to pay for a small item. While the clerk was attempting to make change for the original \$50 the man produced other money asking for it to be changed.

The clerk became confused and as a result gave the suspect the original \$50 back along with other money.

The suspects are believed to be responsible for similar incidents in Milton and Halton Hills.

Both suspects are white. The first is

## 7 Things You Must Know Before Putting Your Home Up For Sale

**HALTON** - A new report has just been released which reveals 7 costly mistakes that most homeowners make when selling their homes, and a 9 Step System that can help you sell your home fast and for the most amount of money.

This industry report shows clearly how the traditional ways of selling homes have become increasingly less and less effective in today's market. The fact of the matter is that a full three quarters of homesellers don't get what they want for their homes and become disillusioned and - worse - financially disadvantaged when they put their homes on the market.

As this report uncovers, most homesellers make 7 deadly mistakes that cost them literally thousands of dollars. The good news is that each and every one of these mistakes is entirely preventable.

In answer to this issue, industry insiders have prepared a free special report entitled "The 9 Step System to Get Your Home Sold Fast and For Top Dollar".

To hear a brief recorded message about how to order your FREE copy of this report, call 1-877-617-1275 and enter ID #3000.
