We are an award winning custom home builder and renovator with offices in Oakville and Toronto. Client satisfaction, superior craftsmanship and proven practices are our strengths in the residential home building industry. We bring to the table challenging opportunities, a great work environment and the opportunity to be a part of the success of a great team.

Opportunity...

We are looking for a team-building, charismatic **PROJECT MANAGER** to lead the Oakville Operations Team. This position reports directly to the President. The Project Manager is responsible for the project management of all Oakville building projects including procurement of trades, management of job sites and client interaction. Working closely with all Operations staff to ensure cost control and quality benchmarks are met. Facilitating the information flow between all parties through clear communication with clients, architects, designers and internal staff is key.

What you bring to us...

Experience with all aspects of Project Management including budget analysis, scheduling, team development and strong communication ability complete the necessary skill sets required. Must be able to manage tasks and deliverables while balancing multiple projects and using time strategically. Ability to develop the people side: teamwork, communications and collaboration in support of task accomplishment is critical. The successful candidate will also have extensive technical knowledge in residential high end custom construction.

Let us know how you can benefit our team!

CONSERVATION Halton is a community based environmental agency that works in partnership with watershed municipalities and the Province of Ontario to protect the natural environment.

Chief Administrative Officer

As Chief Administrative Officer you will be responsible for the overall management, direction and communication of the approved policies and programs of Conservation Halton. You will lead and direct a senior management team in achieving our vision and mission by ensuring the successful implementation of our strategic plan. Reporting to the Chair of Conservation Halton and also accountable to the Board of Directors you will oversee all day-to-day operations including organization design. Working closely and cooperatively with external agencies/partners, municipal governments and communities while effectively coordinating services and resources will be critical to success in the role.

To meet the challenges of this leadership role you will have extensive related senior management experience with an in-depth understanding of the environmental sector. Your experience is combined with a university or business degree. You have a proven track record in business planning, human and financial resource management, and policy development and implementation. Your exceptional interpersonal, consultation and leadership skills will be key in building effective teams and working relationships as well as communicating with stakeholders at all levels. Making good decisions under pressure comes naturally and you process complex information quickly and effectively. Salary range \$107,034-\$133,792 per annum.

If you are excited about the future of Conservation Halton, want to contribute to protecting our watershed and the natural environment and believe you should be our next CAO, please forward your resume and cover letter, in confidence no later than 4:00 pm, Monday April 3rd to:

Human Resources Manager, Conservation Halton
 2596 Britannia Rd. W., RR #2 Milton, ON L9T 2X6
 Fax: (905) 336-0921
