With 150 kms of beaches and 3,000 hours of sunshine a year, southern Portugal's famed Algarve province is a magnet for Canadians seeking a mild weather getaway. Colourful markets, pampering spas, surprising shopping, they all await you on a Signature Portugal vacation. And if you are a golfer, this is the destination for you. You can save up to 70% off green fees and pre-book your tee times!

In Albufeira we offer the choice of hotel or resort accommodation, the convenience and value of self-catering apartments; or a hybrid of the two: an apartment which is apartment accommodation with many facilities found at the hotels (restaurants, bars, etc.). Or for a quieter locale, opt for the Praia Do Vau region between the beach resort of Praia Da Rocha and the fishing village and resort of Alvor. The nearby town of Portimao provides good shopping and the famous sardine restaurants.

This summer Signature Vacations offers flights and packages to Porto and Lisbon including Algarve stays. Please join Travel Choice for our information night on Portugal. Sal Bucciellato from Signature Vacations will be discussing the above areas and answer any questions you may have about Portugal.

Milton Choristers set to perform South American music in concert

Knox Presbyterian Church will be teeming with the rhythmic sounds of South American music when the Milton Choristers takes to the stage for its second concert this season.

On March 25 at 7:30 p.m., the Choristers will present Fascinat' Rhythm as part of its Evenings of Enchantment series.

Enticing rhythms and lyrical, jazzy melodies characteristic of Latin choral music are sure to

draw in the audience, said artistic director Sonja van de Hoef.

Missa Criolla, an Argentinean folk mass, is one of the pieces that'll be performed. Mezzo-soprano Jenny Enns-Modolo will take to the stage accompanied by a special percussion ensemble and the Choristers' own Becky Windhager.

The powerful Missa Criolla became the cry for freedom for Argentineans during the civil

unrest of the 1960s and continues to be sung with conviction by the people of Argentina.

Knox Presbyterian Church is located at 170 Main St. E.

Tickets to the concert cost \$15 for adults, \$12 for seniors and students and \$10 for kids 12 and younger.

They're available at Lewiscraft in Milton Mall or by calling (905) 876-3203.

12-year-old performs well in spelling bee

Nikole Levear's stomach was full of butterflies — or were those bees? — when she competed at a national spelling competition earlier this month.

The 12-year-old student at Sam Sherratt School earned a spot competing against 72 spellers at the regional level of the CanWest CanSpell National Spelling Bee March 5.

Nikole placed within the top 40 spellers at the competition, which was held in Toronto for students in grades 6 to 8. The word that stumped her? Calefactory.

She said it was an experience she'd like to do again. "I got to meet people from all across Ontario," she said.

In order to move on to the regional competition, Nikole had to compete in her school's spelling bee, which she won. Sam Sherratt was the only Milton school to participate.

Could you sell daffodils?

There's something hopeful about a bunch of flowers. So it's fitting that the Canadian Cancer Society is, once again, selling daffodils to raise money. And volunteers are badly needed.

The cancer society is looking for people willing to work two to three-hour shifts during its Daffodil Days March 30 to April 2. Anyone who can spare a few hours on one of those days is asked to call Suna at (905) 875-3180.
