

# Three teams reach semifinals

• from HOSTS on page A18

McLaughlin and Luice Boivin. Manitoulin jumped ahead with a pair of quick goals in the second, but Megan Wain scored from Mason Whiting to knot the game at two.

It remained that way until the third, when Manitoulin scored with eight minutes to play. Milton pressed hard for the tying goal, pulling its goalie with three minutes remaining, only to give up two empty netters.

"Kids sometimes don't get up for games," said Winterhawks coach Lindsay McLaughlin of Friday's 5-1 loss to Manitoulin in the round robin. "Once they made the final, they came out playing really hard because they knew they had a chance to win their own tournament."

McLaughlin said it was a successful year for

the team, which initially didn't have enough players for a team at its tryouts. The Winterhawks recruited seven house league players to round out the lineup.

The team finished .500 in the regular season and then narrowly missed making the Tri-County final, finishing third in the round robin.

Three other Milton teams reached the semifinals.

Hanover scored a pair of third-period goals to break a 1-1 tie to down the Winterhawks 3-1 in the midget semifinal. Ryan Cochrane had the Milton goal while Kyle Johnson and Steve Aucoin assisted. Stoney Creek blanked Milton 3-0 in the bantam AE semifinal. Flamborough shut out Milton 6-0 in the atom AE semi and West London defeated Milton 4-0 in the novice semis.

# Ouellette dominates with six wins Friday

Luc Ouellette put on a driving clinic Friday evening at Woodbine, as the career winning of more than 7,400 races amassed six victories during the 11-dash program.

The Campbellville resident notched his first win in the opening split of the Youthful Pacing Series, as he guided recent Apaches Fame Pacing Series victor Dodgeball to an impressive wire-to-wire triumph in 1:52.4.

Fast forward to the fifth race and Ouellette was in the spotlight again, this time with Spicegirl Kosmos, a five-year-old daughter of SJs Photo, who tripped the timer in 1:55 flat during the \$18,000 dash.

From there, the local driver won the

next three races, as he reached the winner's circle with Master The Art in another Youthful split, came from off the pace with Bert Magic and prevailed from the 10-hole with Fox Valley Zena

in the eighth race.

His victory parade would be capped in the 10th race, when he piloted Roller Cam to a decisive wire-to-wire win in 1:51.1.

# Umpires needed for '06 season

New and experienced umpires are being sought for both adult evening slo-pitch games and area high school baseball action.

Training and insurance will be provided for prospective umpires, who are needed to cover games in both Halton and Peel regions, as well as surrounding areas for league play and tournaments.

Professional umpire clinicians can also be made available to run clinics for baseball, fastball, modified and slo-pitch through the Ontario Umpires Association.

For more information, contact Ontario Umpires Association president Jim Cottrell at ontarioumps@azt-net.com or (905) 791-0280.
